Admission statistics are incomplete because all data are not received by TDOC immediately after sentencing. In some cases information is not received until several months after sentencing. Therefore, the numbers for any given month may be different from the previous month's report.

^{*}The "TDOC" category of admissions is a combination of convicted felons housed in DOC facilities and jail backup.

Admission statistics are incomplete because all data are not received by TDOC immediately after sentencing. In some cases information is not received until several months after sentencing. Therefore, the numbers for any given month may be different from teh previous month's report.

^{*}The "TDOC" category of admissions is a combination of convicted felons housed in DOC facilities and jail backup.
