Definitions

Incarcerated Population

TDOO

Convicted felons sentenced to and serving at a TDOC facility.

TDOC Backui

TDOC backup includes any incarcerated felon who is sentenced to TDOC but who is in a county/local jail. Reasons vary. Most in TDOC Backup are awaiting transfer to a TDOC facility. Those with sentences of less than one year may serve the entire sentence locally. Some counties contract with TDOC to keep Backup offenders in local jails up to two years. Tennessee's largest counties keep felons in Backup for up to six years. Some stay longer than these guidelines suggest at the request of the local Sherriff's office, usually because they are doing valuable community service work in the county. In addition, offenders already in TDOC facilities may temporarily transfer to a county jail for court appearances.

Locally Sentenced

Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

Admissions

New Commits

Any person convicted of a felony and sentenced to TDOC, but who is not on probation or parole. This may include persons who had prior incarcerations.

Violators Returned:

Offenders under community supervision or serving in community corrections who are re-incarcerated because they violated conditions of their parole, probation or community corrections release.

Releases

Parole

Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

Probation

Usually non-violent felons sentenced to serve part or all of their time in their communities under state supervision.

Community Corrections

Created by the General Assembly in 1985 under Tenn. Code Ann. Section 40-36-101 et seq., Tennessee's Community Corrections Act allows sentencing of non-violent felony offenders to community-based alternatives to incarceration, reserving confinement for violent offenders. Community Corrections offers local courts increased sentencing options and establishes community-based alternatives to incarceration that provide a treatment-centered pathway and community-based supervision for offenders.

Parole Hearing Outcomes

Denial/Waiver and Continue/Waiver

Offenders have the right to request that their parole hearings be waived and set at a later date. "Continue/Waiver" grants that request and resets the parole hearing date. "Denial/Waiver" declines to reset the hearing date and denies parole as the hearing outcome.
