# Parole Admissions and Releases

Admission and release statistics typically have a lag because it can take weeks to months for sentencing information to be received by TDOC. Past monthly data continues to change and update as new information is received.

# Definitions

## Incarcerated Population

### **TDOC**

Convicted felons sentenced to and serving at a TDOC facility.

### **TDOC Backup**

TDOC backup includes any incarcerated felon who is sentenced to TDOC but who is in a county/local jail. Reasons vary. Most in TDOC Backup are awaiting transfer to a TDOC facility. Those with sentences of less than one year may serve the entire sentence locally. Some counties contract with TDOC to keep Backup offenders in local jails up to two years. Tennessee's largest counties keep felons in Backup for up to six years. Some stay longer than these guidelines suggest at the request of the local Sheriff's office, usually because they are doing valuable community service work in the county. In addition, offenders already in TDOC facilities may temporarily transfer to a county jail for court appearances.

### **Locally Sentenced**

Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

## Additional Categories in the Jail Report

### **Other Convicted Felons**

Convicted felons awaiting sentencing or not yet ready for transfer to TDOC because of other pending charges. This category includes technical violators awaiting probable cause/revocation/recission hearing or adjudication of pending charges, including those who may have previously been sentenced to TDOC and released to community supervision.

### **Convicted Misdemeanants**

Inmates serving time for a misdemeanor conviction.

### **Pre-Trial Detainees**

Inmates charged with either a felony or a misdemeanor but not yet convicted.

### **Federal**

Inmates held in local facilities for federal authorities.

### **Other**

Anyone in a local jail not captured by previous categories.

## Primary Offense

As of July 2000, offenses are categorized according to the Tennessee Incident Based Reporting System (TIBRS) which is based on the FBI's National Incident Based Reporting System (NIBRS). This system of reporting is an attempt to standardize categorical offense reporting across criminal justice agencies. For more detail on how TCA code is categorized according to the TIBRS system

## Admissions

### **New Commits**

Any person convicted of a felony and sentenced to TDOC, but who is not on probation or parole. This may include persons who had prior incarcerations.

### **Violators Returned:**

Offenders under community supervision or serving in community corrections who are re-incarcerated because they violated conditions of their parole, probation or community corrections release.

## Releases

### **Parole**

Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

### **Probation**

Usually non-violent felons sentenced to serve part or all of their time in their communities under state supervision.

### **Community Corrections**

Created by the General Assembly in 1985 under Tenn. Code Ann. Section 40-36-101 et seq., Tennessee's Community Corrections Act allows sentencing of non-violent felony offenders to community-based alternatives to incarceration, reserving confinement for violent offenders. Community Corrections offers local courts increased sentencing options and establishes community-based alternatives to incarceration that provide a treatment-centered pathway and community-based supervision for offenders.

## Parole Hearing Outcomes

### **Denial/Waiver and Continue/Waiver**

Offenders have the right to request that their parole hearings be waived and set at a later date. "Continue/Waiver" grants that request and resets the parole hearing date. "Denial/Waiver" declines to reset the hearing date and denies parole as the hearing outcome.
