

TDOC Employee Referral Program

Get Paid for Helping to Build Our Amazing TDOC Team!

What is it?

Effective August 17, 2015, current TDOC employees will receive \$100 for each new correctional officer or nurse he or she refers to the Department.

Who Can Participate?

Any current TDOC employee is eligible. Our valued staff members serve as ambassadors for the Department. We know some of our best and brightest team members found out about opportunities within TDOC from those already working in the agency and we want to reward everyone.

How Much Can I Earn?

There is no limit! We want as many excellent team members as you can find. The more new hires you recruit, the more money you will earn. If you refer seven people who are hired on as correctional officers or nurses, you get \$700!

How Do I Participate?

It's easy! If you are referring a new CO or nurse, be sure that person has your name, work location and contact information. That person must list you as how he or she heard about the position at the time of application. Referral cards will be available at each office and facility for the convenience of any current employee who wants to refer a potential new hire. You'll be able to fill out that card with your information and give it to anyone you refer to TDOC for employment. Once a new hire lists you as a referral on an application, HR will notify you.

When Would I Receive My Referral Money?

We want to reward you as quickly as possible! If you refer a new correctional officer or nurse, you will get that \$100 no later than 31 days after that new hire completes training. The incentive will be direct deposited into your account.

Start earning extra money now! See your human resources team for additional details.
