VISITATION RULES

Visitation for general population inmates is on Saturday, Sunday, and state holidays. Scheduled visitation hours will be posted and provided to each inmate. Mondays are designated for inmates that miss their appointments and must be by appointment.

You must make an appointment 7 days in advance by calling 615-808-0432 from 8 am-5 pm on Tuesdays.

If the schedule changes, advanced notice will be given to the inmates and will be posted at the pedestrian checkpoint. It is the responsibility of the inmates to notify their visitors of schedule changes. Only four (4) adults are allowed to visit at one time. However, there is no limit on children. Visitors must be considerate and aware of space available. Visitors and inmates will depart visitation in an organized manner at the conclusion of the visit as directed by the visitation staff.

Visitors are required to leave the facility property immediately at the conclusion of visitation. Visitors who receive a visit on the weekend or holiday shall not be permitted a visit on the special week day visitation on Monday evenings.

Visitors may be required to park vehicles in designated parking areas on the institutional lot. All vehicles must be fully locked and secured. In the event a visitor vehicle is found to be unsecured, that visitor will be instructed to leave the visiting area and the visit will be terminated for the remainder of the day.

From time to time the institution shall perform a search of all vehicles entering the property. In such cases, K-9 drug dogs may be used during the vehicle searches. All persons shall be responsible for any contraband items found in their vehicles. In the event contraband is found, local and state law enforcement officials may issue written citations, make arrests or confiscate visitor's vehicles and belongings. It is illegal to possess the following on prison property: alcoholic beverages and any type of medication that cannot be readily identified by being in original containers or producing a prescription. Any visitor found to have either drugs or firearms (without a valid handgun carry permit) while on state property may be permanently prohibited from visiting any TDOC facilities. Visitors who are suspected of introducing contraband into the facility may be required to visit in a non-contact booth. In this situation, there will be no physical contact between inmates and visitors.

The visitor process is as follows:

**All applicants may be subject to NCIC background checks.

1. Inmates may have eight (8) adults and all immediate family members on their visiting list, subject to the Warden's approval. To add people to a visiting list, inmates should request a visitation application from the unit staff. The visitation application should be sent to the visitor who must complete it in its entirety and return it to the Assistant Warden of Operations. The Warden/designee will approve or disapprove the application. When a visitor is either approved or disapproved, written notice shall be given to the inmate. Visitat
information will only be released to the affected inmate. Facility staff will not disclose status of a visitor application over the telephone. It is the inmate’s responsibility to notify the visitor that he/she has been approved/disapproved. Each adult visitor must provide a bonafide picture identification on each visit. Children age six and older shall have a photograph (not a photocopy) attached to their visitor application CR-2152. These photographs will be updated at ages of 10, 14 and 18. Every visitor regardless of age shall have an approved visitation application on file.

2. Any omissions or falsifications of the visitation application and failure to notarize applications for minors will result in denial of the application form. If any falsification of the CR-2152 occurs by a visitor applicant, the visitor applicant shall not be allowed to resubmit a visitor application for a minimum of six months.

3. All visitors under 18 years of age must be accompanied by an approved visitor who is either the child's parent, legal guardian or guardian. The custodial parent or legal guardian must provide a complete and notarized Parental consent/Release for Minor's Visitation Form (CR2152, page 2) which designates permission for the assigned visitor (as guardians) to accompany the child to visit and consent for the child to be searched. The requirements do not apply if a visitor is under the age of 18 and legally married to the inmate they are visiting. Proof of marriage must be provided.

4. Members of the clergy, as recognized by the Chaplain or Warden, need not be placed on the Approved Visitor's List.

5. Attorneys of record need not be placed on the Approved Visitor's List.

6. Visitors may not be placed on more than one (1) inmate visitation list unless both the inmates are an immediate family member of the visitor and the relationship can be verified.

7. The institutional Warden shall impose a waiting period of one (1) year to review the application of visitors who have been removed from an offenders approved visitation list, either by visitor or inmate request, before placing them on the list of another offender, or placing them back on the original offenders list.

8. The length of the visit will depend upon the current schedules and space availability. Should overcrowding occur, visitors who are first that day may be asked to leave to allow for others to visit. When overcrowding occurs, visitors shall be required to remain in the lobby until space is available in the visiting area.

9. Visitors found with contraband which is in violation of the law are subject to being detained for local law enforcement officials for possible arrest as per TCA 39-16-201 and visitation privileges may be suspended. This includes all tobacco products and paraphernalia. (TDOC Policy 507.01)

11. A visitor, who is arrested, shall be suspended pending disposition of the case which may include any conviction, disposition, e.g., incarceration, probation, or parole. Reinstatement of privileges will require submission of a new application.

In all instances where inmates test positive for and/or are in possession of illegal drugs, or refuse to comply with a request for drug screen, in addition to appropriate disciplinary actions, the Warden shall suspend the inmates visitation privileges with the exception of ministries and attorneys, according to the following: first offense – suspension for three (3) months; subsequent offenses – visits shall be suspended for additional three-month periods.

Staff members will retrieve the pass and log all visitors in. Each visitor will be directed as to where they will be required to sit during their visitation time.

17. Visitors are responsible for controlling their children. Children are not allowed to run and play in the main visiting area or on the yard. Disciplining children is strictly up to the VISITOR and not the inmate. Any child under the age of twelve (12) must be accompanied by an adult when using restroom facilities.

From: Warden Leibach
Date: May 10, 2016
Re: Inmates administrative sanction

Effective May 23, 2016 – Inmates found guilty of the following disciplinary offenses will be reviewed by the warden for assignment to non-contact visitation. The mandatory non-contact visitation will take place after 90 days no visit per TDOC policy.

- Possession of a Weapon
- Possession of Drugs

- Possession of cash money
- Exposure
- Positive UA
- Assault with a weapon (staff and inmate)
- Assault without a weapon (staff and inmate)
- Threatening staff
- Inmates found out of place/unauthorized area

The warden's review and assignment of non-contact visitation is not a disciplinary sanction, it is an administrative sanction based on inmates behavior that creates a risk to the public and the safety and security of the facility in the visitation gallery. Non-contact visitation may be imposed up to one year, the inmate can request to be reviewed again after six months if the inmate has remained disciplinary free.
