Visitation Handbook**

The following is a list of rules and regulations for visitation at WTSP. These regulations are established to maintain order and control to ensure that visitors and inmates can enjoy visiting in a pleasant atmosphere. Visitors and inmates are expected to comply with these rules. Failure to do so could result in suspension of visitation privileges.

Visitation Rules

1. Blank visitation applications may be obtained from the inmate you wish to visit or they may be printed from the TDOC website (www.tn.gov/correction). You may also obtain visitation applications from the visitation supervisor's office at checkpoint but you must pick them up in person.
2. Applications shall be mailed to the following address:

Associate Warden of Security –
(please specify MSC or Site 2)
West Tennessee State Penitentiary
P.O. Box 1150
Henning, TN 38041

Do not mail the application to the inmate because it will not be accepted.

3. All visitors, regardless of age, other than attorneys and clergymen must have an approved Visitation application on file which contains a current photograph. Applications must be filled out completely and mailed to the address above. As noted on the Visitation application, all visitor applicants are subject to a NCIC background check. If there are any questions, concerns, complaints or referrals, please call 731-738-5044, ext. 3230 and ask for the Senior Officer.

4. No visitor shall be admitted for visitation until the application is approved, except for immediate family members of newly committed inmates. (No more

than 60 days from the inmate intake date shall be allowed for this purpose).

5. It takes approximately 30 days to process an application. The inmate will be notified by in-house mail whether or not his visitor is approved. If an application is disapproved, the inmate will be notified of the reason. It will be the inmate's responsibility to notify applicant of the approval or denial.
