1. INTRODUCTION

Statement of Purpose

The purpose of this funding opportunity is to define the State's minimum requirements, solicit grant proposals, and gain adequate information by which the State may evaluate the services offered by Proposers. The State of Tennessee, Department of Children's Services (DCS), hereinafter referred to as the State, intends to secure GRANTS for:

Child abuse prevention activities delivered by community-based agencies and organizations that are family centered and prevention focused to strengthen families and reduce and prevent incidents of child abuse and neglect. Funding for these grants is initiated by the Community-Based Child Abuse Prevention (CBCAP) program through the Administration of Children and Families (ACF).

Tennessee funding for CBCAP grants also include monies from the Tennessee Children's Trust Fund. Funding is distributed statewide throughout Tennessee's 6 regions and is determined regionally by a combination of child population and child abuse statistics.

Scope of Service

CBCAP includes activities that work with the community and families to prevent child abuse and neglect. CBCAP outlines three levels of prevention services: primary prevention, secondary prevention, and tertiary prevention. Primary and secondary are allowable activities under CBCAP funding, while tertiary activities are not funded under CBCAP dollars.

- **Primary prevention** consists of activities that are targeted toward the community at large. These activities are meant to impact families prior to any allegations of abuse and neglect. Primary prevention services include public education activities, parent education classes that are open to anyone in the community, and family support programs. Primary prevention can be difficult to measure because you are attempting to impact something before it happens, an unknown variable. This type of activity is a focus of CBCAP programs.
- **Secondary prevention** consists of activities targeted to families that have one or more risk factors including families with substance abuse, teen parents, parents of special need children, single parents, and low-income families. Secondary prevention services include parent education classes targeted for high-risk parents, respite care for parents of a child with a disability, or home visiting programs for new parents.
- **Tertiary prevention** consists of activities targeted to families that have confirmed or unconfirmed child abuse and neglect reports. These families have already demonstrated the need for intervention, either with or without court supervision. These are families that qualify for services under child welfare programs and are not a focus of CBCAP programs.

For Tennessee's CBCAP program, service delivery of primary and secondary prevention activities will be funded based on the following logic model:

Tennessee CBCAP Funding Logic Model

Program Name: Community Based Child Abuse Prevention (CBCAP)

Program Vision: Children First! Is the DCS vision. Permanency, safety, and well-being of children is the focus of everything we do. To support the vision, DCS is allocating the CBCAP funding to benefit the children and families of Tennessee through primary and secondary prevention services.

Population Served: All children, parents and caregivers, and community members across the state of Tennessee with a special focus in underserved communities (15 rural counties Governor identified as highest poverty level include: Lake, Lauderdale, Hardeman, McNairy, Perry, Jackson, Clay, Grundy, Van Buren, Bledsoe, Fentress, Morgan, Scott, Hancock and Cocke) including those with highest rates of child welfare entry based on FAST heat maps.

Population Needs to be Addressed by Services: Children, families, and caregivers with parental substance abuse and domestic violence in the home, as well as children's behavioral needs. In addition, community members at large through education and awareness about child abuse prevention.

Services: Secondary In-Home Child Abuse Prevention

- *Child First* (Children prenatal to 5 years old and their parents/caregivers who are at risk of or have experienced child abuse, neglect, or trauma; have social-emotional, behavioral, or developmental problems; or live in families experiencing significant trauma and adversity).
- *Early Start* (Parents of a newborn usually up to 12 months of age and/or parents in the antenatal period facing multiple disadvantages)
- *SUBS (Speak Up Be Safe)* K-12 prevention programs that educate and empower children and relevant adults with information and strategies to prevent, recognize, and respond appropriately to the four types of child abuse (physical, emotional, sexual, and neglect), exploitation, bullying, cyberbullying, human trafficking, digital abuse, and other digital dangers.
- *C.A.R.E.S. (Coordination, Advocacy, Resources, Education & Support)*
- *Safe Families For Children Respite* (provides a safe alternative for parents in crisis, helping keep children out of the foster care system)

Assumptions: Through statewide data collected over multiple years DCS has identified children who are at risk of abuse and neglect due to substance abuse by parents. Another contributing factor identified is domestic violence in the home. Early child interventions can support child mental health issues that may be caused by childhood trauma. In addition, data shows over multiple years Tennessee's service array does not adequately support children and family needs due to gaps in services and long waiting lists. Tennessee wants to improve prevention resources through evidence-based and/or evidence informed services to improve parent's knowledge and understanding of protective factors while continuing to educate and bring awareness to the communities about child abuse prevention.

Domestic Violence Prevention

- *Another Way... Choosing to Change* (victim-centered, manualized curriculum to address intimate partner violence with all adult offenders)
- *Domestic Abuse Intervention Project – The Duluth Model (DAIP)* adult males only

Substance Abuse Prevention

- *Nurturing Parenting Program* (adult)
- *Seeking Safety* (adult present-focused, coping skills therapy to help people attain safety from trauma and/or substance abuse.
- *Strengthening Families Program* (universal program for families & youth 10-14 years of age)
- *Guiding Good Choices* (for parents/caregivers of youth ages 9-14)

Primary Child Abuse Prevention Programs

- *Darkness to Light/Stewards of Children* (adult focused)
- *Monique Burr Foundation/Child Safety Matters* (children/youth K-12)
- *SEEK* (Safe Environment for Every Kid) children ages 0-5 (can be primary or secondary)

Resources:

Partners: parent leadership, lived experience experts, community partners, Family Resource Information, Education and Network Development Service (FRIENDS technical assistance), CBCAP Advisory Council, Administration for Children & Families (Children's Bureau), Tennessee Children's Trust Fund.

Grantees will secure match funding requirements through other sources of funding outlined under Funding in the AOF.

Funding

Funding allocations will be distributed among the six (6) state regions to the extent possible based on a combination of child population, child abuse statistics and service gaps. A program that can serve more than one region must submit separate proposals for each region served. In no case shall a grant or match be used to supplement any other program or activity unrelated to the CBCAP contract, nor can CBCAP funds supplant other funding.

To assure that funds are distributed statewide, grants will be no more than fifty thousand dollars (\$50,000.00) unless DCS finds that exceeding the fifty thousand dollars (\$50,000.00) limit is warranted by the availability of funds, the area served by the provider, or the best interests of the citizens served by the program.

Budget proposals must adhere to the following formulas:

- July 1, 2025-June 30, 2026: One hundred percent (100%) of the total budget is grant dollars.

- July 1, 2026-June 30, 2027: Ninety percent (90%) of the total budget is grant dollars. At least ten percent (10%) of the total budget must be agency match. The ten percent (10%) match may be cash, cash and in-kind, or all in-kind.
- July 1, 2027-June 30, 2028: Eighty percent (80%) of the total budget is grant dollars. At least twenty percent (20%) of the total budget must be agency match. The twenty percent (20%) match may be cash, cash and in-kind, or all in-kind.

As of 2025, DCS organizes Tennessee into six (6) regions as follows. Regions are subject to change by DCS at any time.

This includes the costs of responding to a breach of protected health information, the costs of responding to a government enforcement action related to the breach, and any fines, penalties, or damages paid by the State because of the violation.

The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.327 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term “equipment” shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds ten thousand dollars (\$10,000.00).

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Grantee’s employees, and to pay all applicable taxes incident to this Grant Contract.

- D.23. Limitation of State’s Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State’s total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. A strike, lockout or labor dispute shall not excuse either Party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a Party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds

for termination. The non-performing Party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the Party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. - D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. D.36. State Sponsored Insurance Plan Enrollment. The Grantee warrants that it will not enroll or permit its employees, officials, or employees of contractors to enroll or participate in a state sponsored health insurance plan through their employment, official, or contractual relationship with Grantee unless Grantee first demonstrates to the satisfaction of the Department of Finance and Administration that it and any contract entity satisfies the definition of a governmental or quasigovernmental entity as defined by federal law applicable to ERISA.

Grantee's failure to maintain or submit evidence of insurance coverage, as required, is a material breach of this Contract. If Grantee loses insurance coverage, fails to renew coverage, or for any reason becomes uninsured during the Term, Grantee shall immediately notify the State. All insurance companies providing coverage must be: (a) acceptable to the State; (b) authorized by the Tennessee Department of Commerce and Insurance ("TDCI"); and (c) rated A- / VII or better by A.M. Best. All coverage must be on a primary basis and noncontributory with any other insurance or self-insurance carried by the State. Grantee agrees to name the State as an additional insured on any insurance policy with the exception of workers' compensation (employer liability) and professional liability (errors and omissions) insurance. All policies must contain an endorsement for a waiver of subrogation in favor of the State. Any deductible or self-insured retention ("SIR") over fifty thousand dollars (\$50,000) must be approved by the State. The deductible or SIR and any premiums are the Grantee's sole responsibility. The Grantee agrees that the insurance requirements specified in this Section do not reduce any liability the Grantee has assumed under this Contract including any indemnification or hold harmless requirements.

To achieve the required coverage amounts, a combination of an otherwise deficient specific policy and an umbrella policy with an aggregate meeting or exceeding the required coverage amounts is acceptable. For example: If the required policy limit under this Contract is for two million dollars (\$2,000,000) in coverage, acceptable coverage would include a specific policy covering one million dollars (\$1,000,000) combined with an umbrella policy for an additional one million dollars (\$1,000,000). If the deficient underlying policy is for a coverage area without aggregate limits (generally Automobile Liability and Employers' Liability Accident), Grantee shall provide a copy of the umbrella insurance policy documents to ensure that no aggregate limit applies to the umbrella policy for that coverage area. In the event that an umbrella policy is being provided to achieve any required coverage amounts, the umbrella policy shall be accompanied by an endorsement at least as broad as the Insurance Services Office, Inc. (also known as "ISO") "Noncontributory—Other Insurance Condition" endorsement or shall be written on a policy form that addresses both the primary and noncontributory basis of the umbrella policy if the State is otherwise named as an additional insured.

Grantee shall provide the State a certificate of insurance ("COI") evidencing the coverages and amounts specified in this Section. The COI must be on a form approved by the TDCI (standard ACORD form preferred). The COI must list each insurer's National Association of Insurance Commissioners (NAIC) number and be signed by an authorized representative of the insurer. The COI must list the State of Tennessee – CPO Risk Manager, 312 Rosa L. Parks Ave., 3rd floor Central Procurement Office, Nashville, TN 37243 as the certificate holder. Grantee shall provide the COI ten (10) business days prior to the Effective Date and again thirty (30) calendar days before renewal or replacement of coverage. Grantee shall provide the State evidence that all subgrantees maintain the required insurance or that subgrantees are included under the Grantee's policy. At any time, the State may require Grantee to provide a valid COI. The Parties agree that failure to provide evidence of insurance coverage as required is a material breach of this Contract. If Grantee self-insures, then a COI will not be required to prove coverage. Instead Grantee shall provide a certificate of self-insurance or a letter, on Grantee's letterhead, detailing its coverage, policy amounts, and proof of funds to reasonably cover such expenses.

The State agrees that it shall give written notice to the Grantee as soon as practicable after the State becomes aware of any claim asserted or made against the State, but in no event later than thirty (30) calendar days after the State becomes aware of such claim. The failure of the State to give notice shall only relieve the Grantee of its obligations under this Section to the extent that the Grantee can demonstrate actual prejudice arising from the failure to give notice. This Section

shall not grant the Grantee or its insurer, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

The insurance obligations under this Contract shall be: (1)—all the insurance coverage and policy limits carried by the Grantee; or (2)—the minimum insurance coverage requirements and policy limits shown in this Contract; whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and minimum required policy limits, which are applicable to a given loss, shall be available to the State. No representation is made that the minimum insurance requirements of the Contract are sufficient to cover the obligations of the Grantee arising under this Contract. The Grantee shall obtain and maintain, at a minimum, the following insurance coverages and policy limits.

a. Commercial General Liability (“CGL”) Insurance

- 1) The Grantee shall maintain CGL insurance, which shall be written on an ISO Form CG 00 01 occurrence form (or a substitute form providing equivalent coverage) and shall cover liability arising from property damage, premises and operations, products and completed operations, bodily injury, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

The Grantee shall maintain single limits not less than one million dollars (\$1,000,000) per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this policy or location of occurrence or the general aggregate limit shall be twice the required occurrence limit.

b. Workers’ Compensation and Employer Liability Insurance

- 1) For Grantees statutorily required to carry workers’ compensation and employer liability insurance, the Grantee shall maintain:
 - i. Workers’ compensation in an amount not less than one million dollars (\$1,000,000) including employer liability of one million dollars (\$1,000,000) per accident for bodily injury by accident, one million dollars (\$1,000,000) policy limit by disease, and one million dollars (\$1,000,000) per employee for bodily injury by disease.
- 2) If the Grantee certifies that it is exempt from the requirements of Tenn. Code Ann. §§ 50-6-101 – 103, then the Grantee shall furnish written proof of such exemption for one or more of the following reasons:
 - i. The Grantee employs fewer than five (5) employees;
 - ii. The Grantee is a sole proprietor;
 - iii. The Grantee is in the construction business or trades with no employees;
 - iv. The Grantee is in the coal mining industry with no employees;
 - v. The Grantee is a state or local government; or
 - vi. The Grantee self-insures its workers’ compensation and is in compliance with the TDCI rules and Tenn. Code Ann. § 50-6-405.

c. Automobile Liability Insurance

1) The Grantee shall maintain automobile liability insurance which shall cover liability arising out of any automobile (including owned, leased, hired, and non-owned automobiles).

2) The Grantee shall maintain bodily injury/property damage with a limit not less than one million dollars (\$1,000,000) per occurrence or combined single limit.

- E.3. Printing Authorization. The Grantee agrees that no publication coming within the jurisdiction of Tenn. Code Ann. §§ 12-7-101, *et seq.*, shall be printed pursuant to this Grant Contract unless a printing authorization number has been obtained and affixed as required by Tenn. Code Ann. § 12-7-103(d).
- E.4. Prohibited Advertising. The Grantee shall not refer to this Grant Contract or the Grantee's relationship with the State under this Grant Contract in commercial advertising in such a manner as to state or imply that the Grantee or the Grantee's goods or services are endorsed. The obligations set forth in this Section shall survive the termination of this Grant Contract.
- E.5. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the "Children's Act for Clean Indoor Air of 1995," Tenn. Code Ann. §§ 39-17-1601 through 1606, the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.
- E.6. Drug -Free Workplace. The Grantee shall provide a drug-free workplace pursuant to the "Drug-Free Workplace Act," 41 U.S.C. §§ 8101 through 8106, and its accompanying regulations.
- E.7. Not a DCS Employee. The Contractor shall inform the client in writing that the Contractor is a private provider and not an employee of the State.
- E.8. Employee Background Checks. Prior to the provision of any services, all personnel that have direct contact with children shall comply with DCS Policy 4.1. Employee Background checks.
- E. 9. Grantee Participation. Grantee Participation amount(s) detailed in the Grant Budget are intended as a goal for the total project, and the amount of actual Grantee Participation expenditures will not impact the maximum amounts reimbursable to the Grantee as detailed by the Grant Budget column, "Grant Contract."
