

**Tennessee Department of Mental Health & Substance Abuse Services (TDMHSAS)  
Office of Children, Young Adults, and Families**

**Office Impact Statement:** Our goal is to provide statewide leadership in building a comprehensive and sustainable system of care that fosters prevention, builds resiliency, and instills hope from our youngest citizens to our young adults and their families.

We work in close partnership with children, youth, young adults, families, and providers to ensure mental health services and supports are evidence and trauma-informed, community-based, and culturally and linguistically responsive.

**How:**

- Promotion, Prevention, Early Intervention, & Recovery
- Workforce Development
- Systems Collaboration
