 - b. The need for such a unique floor plan or substantial additional space to accommodate the specialized seating mobility equipment requires the rental or lease of a residence at a rate which exceeds the HUD User Fair Market Rent.
 - 2) A Special Exception Add-On shall not be provided if the person supported uses a standard wheelchair, folding wheelchair, or other type of wheelchair, specialized seating, or mobility equipment that can be reasonably accommodated in a residence (or a residence modified through Environmental Accessibility Modifications) at a rate that would not exceed the HUD User Fair Market Rent.
 - 3) The Commissioner or designee may authorize the Special Exception Add-On to supplement a rent or lease payment for the non-ambulatory person supported as well as other persons supported in the home who share the rent or lease payment, provided that the non-ambulatory person continues to reside in the home.
