# TENNESSEE FAMILY SUPPORT PROGRAM

Department of  
**Disability & Aging**

## DO YOU OR A MEMBER OF YOUR FAMILY HAVE A SEVERE OR DEVELOPMENTAL DISABILITY?

*A severe or developmental disability is an impairment that results in substantial functional limitations in three or more of the following major life activities: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living and economic self-sufficiency.*

### WHAT IS FAMILY SUPPORT?

*The Department of Disabilities and Aging (DDA) Family Support Program is designed to assist individuals with a severe or developmental disability and their families to remain together in their homes and communities. Family Support is funded by state dollars.*

### THE PRIMARY PURPOSE OF THE PROGRAM IS TO SUPPORT:

- Families with children with severe or developmental disabilities, school age and younger
- Adults with severe or developmental disabilities who choose to live with their families
- Adults with severe or developmental disabilities who are residing in the community in an unsupported setting (not a state or federally funded program)

Key elements of the Family Support Program are family and consumer involvement. Local Councils have been established and meet on a regular basis to oversee the distribution of local services and funds.

### HOW CAN FAMILY SUPPORT HELP?

Examples of services include:

- Respite care
- Personal assistance services
- Before/After Care
- Homemaker services
- Minor home modifications and vehicular modifications
- Specialized equipment maintenance and repair
- Specialized nutrition, clothing and supplies
- Transportation services
- Health-related costs not otherwise covered
- Licensed nursing and nurses aid services
- Family counseling, training and support groups
- Recreation/Summer camp
- Behavior therapy

*\*For clarification of services, contact your agency Family Support Coordinator.*
