

**Amendment Number 1**

**to the**

**State of Tennessee Action Plan for CDBG Supplemental Disaster Recovery Funds (2008)**

The State of Tennessee proposes to amend its approved Action Plan for the disaster recovery funds from the storms that affected the state in 2008.

**(J) METHOD OF DISTRIBUTION.**

In order to distribute the remaining funds, approximately \$3 million, ECD will accept requests for funds from current grantees that have remaining unmet needs. Awards will be prioritized for projects that do not require an additional Environmental Review or a change to the scope of the project. Awards will be up to \$300,000. Current contracts will be revised with the new contract amount. The end date of the contract will not change.

Comments on this proposed amendment to the 2008 CDBG-Disaster Action Plan should be submitted to [Brooxie.carlton@tn.gov](mailto:Brooxie.carlton@tn.gov) by June 20, 2014.
