Topic and Guiding Questions

Please list specific resources that you would like to see incorporated into the funding formula. (In other words, what resources do you think are most important so that the cost of those resources can be included. It does not mean a district MUST spend money in a certain way, only that they would be funded to do so). Please indicate whether each resource is a:

- **Must Have**: Those resources required as a result of federal and/or state law, for safety, or similar.
- **Should Have**: Those resources that may not be mandatory but are essential to ensure the student or student group receives access to a quality education.
