Subcommittee Policy Reflections and Feedback

Policy Idea	Subcommittee Feedback
Policy: Definition of Economically Disadvantaged	Current: Direct Certification Expand to include families who receive Tenn Care Put in writing the definition and all pieces included in Direct Certification.
Policy: Definition of Concentration of Poverty	Current: Attending a Title I School Need to better define and include other things. Sliding scale based on number of low-income kids (using same ED definition as above- Direct Cert and Tenn Care.)
Policy: Definition of Sparsity	Current: Students per square mile (federal is 10, but the range is 10-25 students)

Policy: Teacher Salaries	Question: What, if any, requirements should the formula require on investing new education dollars into existing educator salaries moving forward?
Policy: Teacher Salaries	Question: Are there any other policies for teacher salaries that should be included?
Policy: Tutoring	Question: This is required for students who score at "Below" on the 3 rd grade TCAP beginning SY23-24. Should there be funding included in the formula for this legally required support?
Policy: CTE	Question: Please review the CTE content and provide feedback on how TN may choose to address CTE considerations.
Policy: K-2 Weight	Question from the Steering Committee: How might you consider a K-2 weight or additional investment in the earlier grades?
Policy: Outcomes	Question from the Steering Committee: They would like to see outcomes options for middle school. What outcomes does your subcommittee recommend?
Policy: Outcomes	Question from the Steering Committee: They would like to see other outcomes options for elementary school. What outcomes does your subcommittee recommend?
Policy: Accountability	Question from the Steering Committee: What accountability measures should be included in any new formula proposal, or what ideas do you have?
Policy: Reporting	Question: What information should be included in public reporting for school and for district level financials?
Policy: Funding Year	Question: Should funding reflect the current year or the prior year (as it does now)? For fast-growing districts, it may be beneficial to receive the funds in real time to meet the costs of that year and for declining enrollment districts, it may be harder

	to adjust budgets in real time. Given that challenge, are there mitigation ideas?
Policy: ADM Shifts	Question: Student enrollment may fluctuate down in a given year (up or down). Should there be any consideration for hold harmless or fixed costs, or should the funding be specific and reflective of the actual enrollment?
Policy: Maintenance of Effort	Question: How should we consider Maintenance of Effort at the local level? (It provides consistent funding but may deter local investment because of the requirement to continue).
Policy: Professional Development and Training	Question: Are there any professional development opportunities or additional supports that should be provided?
