### 2. DIRECTIONS

#### Topic

Please list specific resources that you would like to see incorporated into the funding formula. (In other words, what resources do you think are most important so that the cost of those resources can be included. It does not mean a district MUST spend money in a certain way, only that they would be funded to do so). Please indicate whether each resource is a:

- **Must Have:** Those resources required as a result of federal and/or state law, for safety, or similar.

# Tennessee Funding Review Engagement

- **Should Have:** Those resources that may not be mandatory but are essential to ensure the student or student group receives access to a quality education.
- **Nice to Have:** Those resources that are not mandatory and not essential, but (1) may provide a clear and added benefit to students and (2) have a clear return on the investment related to student achievement and future success.
- **Long Shot:** All other resource ideas.

## 4. FINAL THOUGHTS

The subcommittee did not make any recommendations during this meeting. They brainstormed ideas and plan to categorize ideas on December 9.

## Initial Notes and Resource Recommendations (uncategorized)

- SRO
- CTE staff
- School Counselors/School Psychologists/Graduation Coaches/Clinical Counselors
- Programs that help develop character traits
- Additional funding that will help with extra curricular activities for districts that have a high population of economically disadvantaged students
- Free(multiple times) ACT for all students
- Social media safety classes for all students(the committee feels social media safety is a life skill for all students)
- Equipment for all CTE classrooms
- Additional funding for all elementary and middle school classrooms
- AP classes should be funded
- EL student support
- Technology including internet for student's home
- Career exploration opportunities in middle school
- Opportunities for students to take family and consumer sciences, personal finance, and government classes
