2023-24 Federal Accountability Files and Timelines

May 2024

This document provides an estimated timeline for major 2023-24 accountability file releases from the Tennessee Department of Education (department) on the Accountability application. Please note that the timeline is an *estimate* and is subject to change based on the timing of delivery of data and the quality assurance process. The department will communicate all releases to districts through the *Commissioner's Update for Directors* and other accountability communication channels (i.e., monthly email, office hours). With questions about Accountability files and their release, contact TNED.Accountability@tn.gov.

Important note: **All files will be updated on the Accountability application when they are finalized. However, these data files will be under embargo until the State Report Card public release unless otherwise noted.**
