

Adobe Certified Associate (ACA) in Adobe Premiere Pro

Aligned Program of Study: Digital Arts & Design

Description

The Adobe Certified Associate certification is recognized by industry as a proficiency credential in Adobe digital skills. Application skills in Adobe products are required in several careers with digital design duties. The Adobe Certified Associate in Adobe Premiere Pro exam covers the skills used in producing and editing of productions with the rapid advancement of video and multi-media technology. It allows students to demonstrate hands-on digital skills through a series of application problem-solving scenarios. An Adobe Certified Associate in Adobe Premiere Pro can be combined with other Adobe Certified Associate certifications to obtain a Specialist status.
