

Hootsuite Platform Certification (HPC)

Aligned Programs of Study:

- Entrepreneurship
- Marketing Management

Description

Hootsuite is a social media management platform that allows individuals to manage multiple social media platforms from one dashboard. The [Hootsuite Platform Certification \(HPC\)](#) is designed for social media marketing managers and others who want to use Hootsuite as the platform to manage their social media accounts. This certification focuses on teaching individuals how to operate the platform and how to best use the platform to leverage their content. Once an individual earns their Hootsuite Platform Certification, they have it for life with no requirement to renew.

Preparing to offer the certification

Exam Details

The online exam consists of 50 demonstration-based questions and takes 60 minutes to complete. Students must pass the exam with a minimum score of 75% to earn their certification.

Materials and Resources

Hootsuite offers free online Hootsuite Platform training through the [Hootsuite Academy](#), which consists of 45 video tutorials and lessons to prepare students for certification.

Vendor

TDOE does not currently have a data-sharing agreement with any vendor for this certification, therefore the burden of proof to provide evidence of earning the certification will be on the school system.
