

Microsoft Office Specialist (MOS) Access Expert Certification

Aligned Program of Study: Office Management

Description

The [Microsoft Office Specialist \(MOS\) Access Expert certification](#) is part of the [Microsoft Office Specialist Program \(MOS\)](#). Students can take this certification on its own or in pursuit of their [Microsoft Office Specialist: Expert certification](#). The MOS Access Expert certification relies on performance-based, real-world scenarios to ensure each student can effectively demonstrate their ability to use Access' key features to develop custom, browser-based database applications. Certification tasks included creating and managing a database, building tables, and creating queries, as well as forms and reports. Students who earn this certification will receive approximately 150 hours of instruction and hands-on experience with Access. Moreover, the MOS Access certification is part of the Microsoft Office Specialist: Expert certification, which students can earn by completing the Microsoft Office Specialist: Associate certification as well as any two of the following: Access Expert, Word Expert, and Excel Expert. Students who earn their Microsoft Office Specialist (MOS) Access Expert certification can showcase their accomplishments with Microsoft Office Specialist digital badges, which also allow employers to verify the student's certification.
