

# Green Awareness

**Aligned Program of Study:** Mechanical, Electrical, & Plumbing (MEP) Systems

## Description

The Green Awareness credential covers Energy Management and Analysis, Building Science, HVACR, Electrical, and Plumbing. When it comes to mechanicals, (HVAC, Plumbing and Electrical) "Green" means fuel and energy efficiency, renewable and sustainable fuel sources, and water conservation. This certification covers concepts, terminology, systems, and the latest in green mechanical technology including energy efficiency, energy management, comfort heating and cooling combination systems, HVACR, electrical, and plumbing. This Specialty credential verifies that one has exceeded the average industry job requirements to improve their value to their employer or potential employer.

## Certification Information

Test Owner

Esco Institute

Post Office Box 521

Mount Prospect, IL 60056

Phone: (800) 726-9696

Fax: (800) 546-3726

Testing Sites

Tests are taken online or by paper at the school and must be given by a proctor following Esco guidelines.

Registration Procedures

Schools should begin by calling Esco Group to request a proctor application. After selecting a proctor and completing the application, Esco will provide the school with pricing information. The exams may be administered as a paper test or as an online test at the school. The online test is available at a lower cost than the paper test. The online test provides the school with immediate test results.

## Preparing to offer the certification

Exam Details

The four-part, 100 question exam covers concepts, terminology, systems, and the latest in green mechanical technology including energy efficiency, energy management, comfort heating and cooling combination systems, HVACR, electrical, and plumbing.

Materials and Resources

Information and practice tests are available online at <https://escogroup.org/training/epa608.aspx>.

**Vendors with Data Sharing MOU with TDOE**

TDOE does not currently have a data-sharing agreement with Esco Institute, therefore the burden of proof to provide evidence of earning the certification will be on the school system.
