

HVAC Excellence Heating, Electrical, Air Conditioning Technology (H.E.A.T.)

Aligned Program of Study: Mechanical, Electrical, & Plumbing (MEP) Systems

Description

The Heating-Electrical-Air Conditioning Technology (H.E.A.T.) examination is an end of program assessment developed specifically for secondary HVAC students. Two versions of the exam are available to accommodate geographic differences. One places more emphasis on gas heat and the other places more emphasis on oil heat. The exam validates if a student has the retained knowledge to move on to the next level of training.

Certification Information

Test Owner
Esco Institute
Post Office Box 521
Mount Prospect, IL 60056
Phone: (800) 726-9696
Fax: (800) 546-3726

Testing Sites/Centers

Tests are taken online or by paper at the school and must be given by a proctor following HVAC Excellence guidelines.

Registration Procedures

Schools should begin by calling Esco Group to request a proctor application. After selecting a proctor and completing the application, Esco Group will provide the school with pricing information. The exam may be administered as a paper test or as an online test at the school. The online test is available at a lower cost than the paper test. The online test provides the school with immediate test results.

Preparing to offer the certification

Exam Details

The exam is multiple choice with 100 questions.
