Unit 2: Leadership Education and Training (LET) 2 – Developing Leader builds upon the mastery of LET 1 skills and abilities, providing Cadets with new and more challenging opportunities in leadership development. There are 24 active-learning lessons within eight chapters. The chapters are:

Chapter 1: Leadership introduces Cadets to the elements of leadership, encouraging the analysis of personal leadership attributes and their relationship to program goals. As well, Cadets examine their own leadership competencies and style and the role they play in teams.

Chapter 2: Personal Growth and Behaviors focuses on the communication. Good leaders are effective communicators. Writing, listening, and speaking are essential outcomes in this learning module. Communication also supports personal confidence and Cadets will begin to see how their strengths relate to their vocational interests and begin to explore post-secondary options. Finally, Cadets examine the role ethics plays in leadership and how core values effect their personal code of conduct.

Chapter 3: Team Building introduces new challenges and opportunities for team and squad drill leaders. As leadership develops, so does discipline and team building, demonstrated regularly in drill and ceremony activities.

Chapter 4: First Aid exposes Cadets to the citizen's role in helping others during an emergency. This learning module helps Cadets identify emergency situations and the universal precautions to address them. Additionally, Cadets will explain first aid response to common and severe emergencies.

Chapter 5: Decision Making uses the model for making good choices and decisions to situations that involve bullying and violence. Cadet leaders take a stance against bullying and encourage others to make those same good choices.

Chapter 6: Health and Fitness focuses on nutrition, body image, and the elements of good health. In this learning module, Cadets use decision-making and goal setting in their plans for life-long health. Cadets strive for physical fitness goals through Cadet Challenge and regular program exercise, as possible.

Chapter 7: Service Learning provides LET 2 Cadets an opportunity to participate, but also evaluate the effectiveness of a service learning project. Participating in after action reviews with teams and making decisions toward continuous improvement of service to others are hallmarks of this unit.

Chapter 8: Citizenship and Government introduces Cadets to the purpose of government and the role of the U.S. Constitution on democracy and the rights of its citizens.
