Step-by-Step Guide to the WBL Student Placement Portal:

This guide provides instructions regarding how to report student placements using the WBL Student Placement Portal. This portal is the first phase of the department's redesign of the required Personalized Learning Plan (PLP) packet for work-based learning (WBL) student placements. The PLP is designed to guide and track intentional student learning through goal-setting, employability skill development, and placements aligned to a student's area of elective focus.

Step-by-Step Instructions for Reporting Student and Placement Information

Prior to Starting

1. Prior to starting, collect the following information:
   a. PLP Packets for students enrolled
   b. State Student ID Number for each student enrolled
   c. School District Number: To look up your district number, visit https://k-12.education.tn.gov/sde/, Click on the link to “Active Public Districts”

Getting Started: Creating Unique Student Accounts

2. Visit the WBL Student Placement Portal at the following link: https://wbl.tnedu.gov
3. Click “Create Account” in the upper right hand corner of the screen to create a new student account.
4. On the **Sign-Up** screen: Create a unique student profile for each student using the steps below. For teachers creating multiple student profiles, we recommend following a consistent pattern and saving the log-in information for future reference.

   a. **Login ID:** Each Login ID should be unique to the student. We recommend a consistent combination made up of the first four letters of the student's first name, the first four letters of the last name and a three-digit number of your choice. Example: “chelpark001.”
   
   b. **Password:** For teachers creating multiple student profiles, **we recommend you create all student profiles with the same password to get started.** Students may change their password once you give them their login information. For example, you may wish to use a variation of your name to make it simple to remember.
   
   c. **First Name:** Enter the student's full legal first name.
   
   d. **Last Name:** Enter the student's full legal last name.
   
   e. Select the “I'm not a robot” button and follow the steps as prompted.
   
   f. Click the “Register” button.
Completing the Student Profile

5. From the **Home or “Welcome”** screen, you’ll see a “Welcome” message and links to two sections to complete: (a) Student Info and (b) Placement Info. Start by selecting “Student Info.” Please note, a link to the Student Exit Survey will go live prior to the end of the school year.

6. On the **Student Info** screen: Enter the student information. Most information is located on the WBL Agreement page of the Personalized Learning Plan Packet.
   a. **Student ID:** This is the student’s State Student ID Number. It will be used to verify enrollment in the course. This field is required to create a student profile.
   b. **Student Date of Birth:** Enter date of birth “mm/dd/yyyy.”
   c. **Area of Elective Focus:** Type the name of the student’s Area of Elective Focus or CTE program of study. If the student has multiple, select the one that best aligns with the student’s placement and/or long-term goals. See Part A of the PLP Packet on page 2.
   d. **WBL Coordinator Name:** This should match the teacher of record’s name for the course.
   e. **High School:** Type the full name of your high school, please do not abbreviate (i.e. “CHS”).
