

Child Wellbeing Task Force

Meeting Notes: January 6, 2021

2:00 **Greetings and Opening Comments, Commissioner Dr. Penny Schwinn**

Updates from the Tennessee Department of Education.
Postponed publication of CWTF Briefs, providing additional opportunities for review and feedback.

2:45 **Discussion, Task Force Members**

Recommendation Feedback and Discussion

Task force members reviewed the outcome of the acceptance, prioritization, and rejection of proposed recommendations. Additional feedback and input was provided:

- In the theory of action, include the word “equitable” when describing access.
- For the two final rejected recommendations, include them in the briefs, but add a caveat that not all task force members accepted the recommendation.

Taking the Work Forward

Task force members discussed how they would like to move forward since this was the final meeting of the CWTF.

- Continued collaboration across providers and organizations
- Ongoing connection and maintenance of existing network. Opportunities to update recommendations and supports as new information is available.
- Continued and strategic stakeholder engagement to ensure support is getting to those most in need.

- A request that the TDOE orchestrates a future meeting for task force members to continue to collaborate.

2:25 **Action Items, Katie Houghtlin**
