

InformTN Timeline 2023-24

Key Dates for District and School Planning

Each year, districts and schools are required to conduct a needs assessment and develop an annual plan outlining goals and strategies to improve student outcomes. Strong district and school plans support the creation and implementation of a coherent theory of action for improving student performance. The timeline below outlines key dates for the 2023-24 annual planning window within InformTN, the interactive platform that supports planning in Tennessee.

Please note the timeline for resubmitting plans once feedback from reviewers is received. These windows are necessary to ensure all LEA plans can be approved by the April 14, 2023, deadline.
