

CONTEXT: A subset of Tennessee schools participate in a teacher/parent/student survey of climate. This branch probes administrator's perceptions of the survey's value. Note that this will only go to principals; APs will not receive it, since they take the AP branch.

Last year, your school participated in the Tennessee Department of Education School Climate Survey. Questions on this page ask you to reflect on the results from this survey.

AB_SC01. Please indicate the extent to which you agree or disagree with each of the following statements regarding the school climate survey.

	Strongly Disagree	Disagree	Agree	Strongly Agree	Not Applicable
