

Durable Limited Power of Attorney

Education Savings Account (ESA)

Instructions

A student who reaches the age of majority (18 years) must become the Account Holder of the student's ESA unless the Tennessee Department of Education (TDOE) receives either:

1. a valid power of attorney (POA) executed by the student, designating the student's parent or caretaker as their agent, or
2. a conservatorship order issued by a judge, appointing the student's parent or caretaker as their conservator.

This **optional form** allows an adult student to appoint someone other than the student to be the ESA Account Holder. This is a **limited** durable POA, which only transfers the minimum rights necessary for participation in the ESA Program and will not be accepted for other purposes, such as general banking and medical. The student may wish to provide TDOE with a more exhaustive POA that includes the transfer of other rights, in addition to those listed below.

Disclaimers: This POA is only valid if the student has the mental capacity to understand its nature and purpose and can knowingly transfer the included rights to the student's parent or caretaker. The providing of this form does not constitute legal advice by TDOE. Families are encouraged to seek legal counsel to address any questions regarding powers of attorney and conservatorships, as they relate to their specific circumstances.
