

2020-21 School Year COVID-19 Parent Pick-up Flexibility Form

[Nationwide Waiver to Allow Parent Pick Up](#): FNS has provided nationwide approval for states to allow the flexibility of parents or guardians to pick-up meals on behalf of children. Program operators must be implementing the non-congregate feeding waiver as well in order to allow the parent pick-up flexibility. The requirements in §210.10 (a) and §220.8(a) will be waived in order to allow parent or guardian pick-up. The flexibility is valid through September 30, 2021. School Food Authorities (SFAs) must complete this form to show that a plan is in place to uphold program integrity and to ensure that meals are distributed only to parents or guardians of eligible children, and that duplicate meals are not distributed to any child.

Please complete this form and email to Sandy Dawes at Sandy.Dawes@tn.gov and copy your regional consultant. You will receive an approval email once approved by the state agency.
