

## Individual Education Account (IEA) Program 2023–24 Participating Nonpublic Schools

List updated: July 6, 2023

This list includes nonpublic schools that have been approved to participate in the IEA Program for the 2023–24 contract year following the guidelines in the [2023-24 IEA Account Holder Handbook](#) and [IEA Participating Nonpublic School Handbook](#). Nonpublic school applications are accepted year-round. IEA funds can be used to pay for tuition or fees and required textbooks at nonpublic schools beginning on the date of approval as noted on the list through June 30, 2024. If there are errors to this list, please email [IEA.Questions@tn.gov](mailto:IEA.Questions@tn.gov).

This list does not constitute an endorsement by the department; it is the responsibility of account holders to thoroughly research schools and determine whether a school meets their child's educational needs.

\* For the purposes of the IEA Program, a participating nonpublic school is considered to have an inclusive educational setting if:

1. Students with disabilities are educated with non-disabled children, and
2. No more than 50 percent of the students in an individual classroom or setting are students with disabilities.
