

Individualized Education Account (IEA) Program Participating Non-Public Schools

List updated: June 25, 2025

This list includes non-public schools that have been approved to participate in the IEA Program for the 2025–26 contract year following the guidelines posted on the [IEA website](#). IEA participating non-public school applications are accepted year-round.

IEA funds can be used to pay for tuition or fees and required textbooks at non-public schools beginning on the date of approval as noted on the list through June 30, 2026. If there are errors to this list, please email IEA.Questions@tn.gov. This list does not constitute an endorsement by the department; it is the responsibility of account holders to thoroughly research schools and determine whether a school meets their child's educational needs. Participating schools may not have available IEA seats for all grades the school serves.
