

Student Enrollment Data

Aug. 1, 2018–July 31, 2019 IEA Term

Overview

The student and private school applications for the 2018-19 school year launched on Jan. 8, 2018; student applications were due March 30, and private school applications are now accepted year-round. Account holders who participated in the IEA Program during the 2017-18 IEA term also had the opportunity to renew their IEAs for the 2018-19 school year.

2018-19 New Student Applications

- 135 new student applications were submitted, and 96 applications (71 percent) were approved. See Table 1 below for a summary of the application data for students.

Overview of Student Enrollment for 2018-19

- One hundred and thirty-seven students enrolled in the IEA Program for the 2018-19 school year.
- The students reside in 38 districts across the state (see Table 4).
- Eleven students are entering kindergarten for the first time.
- Of the 137 students enrolled in the IEA Program, 96 (70 percent) are attending a private school and 41 (30 percent) are being independently home schooled.¹
- See Tables 2 and 3 below for more student demographic data.

Table 2: Disabilities of Students

This table reflects the disability listed on the student’s active IEP as the primary or secondary disability at the time of application to participate in the IEA Program.

¹ Students who are home schooling as umbrella schools of private schools are considered private school students.
