

**ACADEMICS:** All Tennessee students will have access to a high-quality education, no matter where they live.

### Early Literacy Supports

Invest in a proven, coherent, statewide literacy program that includes high-quality materials, implementation coaching, and shared diagnostics for data review.

### High-Quality Instructional Materials

Invest in high-quality materials, a tool for standards alignment training, and implementation support to districts.

### Innovative Assessments

Build free, curriculum-aligned interim and formative assessments for districts to use.

### Career Exploration

Ensure every student has career exploration in middle school and a high school pathway that aligns to their interests and strengths.

**WHOLE CHILD:** Tennessee public schools will be equipped to serve the academic and non-academic needs of all kids.

### Supports

Ensure that schools and districts are able to quickly and appropriately respond to students in need through stronger resource mapping, online tools, statewide partnerships, and in-school resources.

### Character Education

Develop a Tennessee-specific character and citizenship education program that prepares students to make successful contributions to society.

### Exceptionalities

Develop regional hubs with the expertise in special education that districts need and create a statewide network that effectively supports students with disabilities through an online tool for families and educators to help identify and navigate resources.

**EDUCATORS:** Tennessee will set a new path for the education profession and be the top state to become and remain a teacher and leader.

### Recruitment

Create advanced courses for teaching as a profession in K-12, launch the Teacher Fellowship Initiative, expand "Grow Your Own" opportunities for prospective educators, and continue to support improvements to educator compensation.

### Preparation

This includes a strong understanding of the state standards, the use of high-quality instructional materials, and best practices for implementation.

### Pathways

Elevate teacher leaders through regional networks, professional development pathways, and state leadership roles.

### Development

Support the development of effective leadership structures in every school, and create cohorts of educators focused on building their degrees, certifications, and professional development.

**We will set all students on a path to success.**
