Tennessee Department of Education

Grow Your Own (GYO) Partnership Competitive Grant

General Information

Background

According to the U.S. Department of Education's Higher Education General Information Survey (2018), the number of graduates earning a bachelor's degree in education dropped 51% from 1971 to 2017¹. Compared to significant increases in the same time frame for other fields such as agriculture (197%), biological sciences (227%), psychology (206%), and visual and performing arts (200%), schools are facing a serious teacher shortage. In recent years, Tennessee has seen a 25% decrease in number of graduates produced by state Educator Preparation Providers (EPP) from 4,019 in 2014 to 2,985 in 2018. The Tennessee Organization of School Superintendents collected survey data from Tennessee directors of schools between October 2019 to January 2020 and reported 1,134 unfilled teaching positions across the state further emphasizing the need to pursue innovative pathways to the teaching profession. In his State of the State address, Governor Bill Lee announced his support for Grow Your Own programs as he announced a historic investment in education, and in her Best for All strategic plan for the state, Commissioner Penny Schwinn established the goal that Tennessee would become the best state to be an educator.

Further, according to the most recent Tennessee [state report card](#), approximately 38% of students identify as a race other than white. In contrast, only about 17.5% of teachers identify as non-white based on 2018-2019 [educator race and ethnicity data](#) collected by the TN Department of Education (TDOE). To increase the diversity of the educator workforce so that it more closely resembles the diversity of students across the state, grow-your-own (GYO) strategies offer a promising solution. A review of different types of GYO programs by Gist, Bianco, and Lynn (2018) suggests that intentional recruitment and support for teachers of color in these programs is essential for their success in increasing diversity in the profession.² Creating intentionality in the Tennessee's GYO programs so that diversity is among their goals can help maximize the ability of those programs to increase educator diversity.

Procurement Purpose

The purpose of these grants is to create a teacher pipeline within the state and increase teacher diversity to better reflect the student population. Pending budget approval and availability of funds, the Tennessee Department of Education (the Department) is offering twenty (20) grants of \$100,000 each (\$2 million total) from Tennessee's state reservation from Coronavirus Aid, Relief, and Economic Security (CARES) Act allocations to fund tuition costs to form new, or to expand existing, state-recognized Grow Your Own (GYO)³ Partnerships. The purpose of these grants is to encourage innovative partnerships between Educator Preparation Providers (EPPs)⁴ and Local Education Agencies (LEAs) to provide innovative, no cost pathways to the teaching profession by increasing EPP enrollment and the supply of qualified teachers.

Tennessee EPPs are invited to apply for a grant for a state-recognized GYO Partnership with an LEA. To be considered for a grant, proposed partnerships must include all of the following:

- The EPP will provide participants with a tuition-free education resulting in dual licensure OR initial licensure with additional endorsement to include grade or subject certification AND special education or English Language Learners (ELL) certification;
- Preference will be given to EPPs proposing to cover the cost of one licensure exam. Additional licensure exams will be paid for by the LEA or participant.
- The EPP will work with the partnering LEA to place participants in a paid education assistant (also known as paraprofessional) position and assigned to a high quality teacher mentor
- The EPP's program will provide for participants to serve in a paid multi-year residency for bachelor's degree programs or a one-year residency for advanced level programs. The residency experience satisfies the clinical practice requirements for participants; and
- The EPP will ensure that participants will **not** serve as the teacher of record in a clinical practice setting.

Because the grant objectives require commitments from both LEAs and EPPs, applications from EPPs must include letter(s) of support from LEA partner(s) and/or partnership agreements demonstrating support. The supporting documentation **must** indicate that the LEA is willing to participate in the Grow Your Own Initiative, understands the LEAs roles and responsibilities as outlined in the scope of work and technical response sections, and is willing to sign a memorandum of understanding (MoU) with the Tennessee Department of Education as part of its participation. Applications submitted without letter(s) of support from LEA partner(s) and/or

³ **Grow Your Own (GYO):** Tennessee's definition for GYO includes a variety of innovative pathways in which school districts provide no-cost pathways to increase access and remove barriers to the teaching profession.

⁴ **Educator Preparation Provider (EPP):** Approved preparation programs are available through a variety of levels, types, and pathways including undergraduate and post-baccalaureate, and with student teaching, internship, or job-embedded clinical practice. The requirements for educator preparation provider (EPP) eligibility and the approval of educator preparation programs are set by the [State Board of Education \(SBE\)](#) outlined in [Educator Preparation Policy 5.054](#) and rule [Chapter 0520-02-04](#). Tennessee has 39 approved EPPs and can be found at the following [link](https://www.tn.gov/education/licensing/educator-preparation/educator-preparation-programs-provider.html) (<https://www.tn.gov/education/licensing/educator-preparation/educator-preparation-programs-provider.html>). There are three types of EPPs in the state: (1) Institutes of Higher Education, (2) Education Related Organizations, and (3) Local Education Agency

partnership agreements demonstrating support will not be considered. EPPs can partner with different groups of LEAs or multiple cohorts within a single partnership (i.e., a joint partnership for a cohort of 6-8 math and special education and a cohort of K-5 and English as a Second Language). EPPs must already be approved to offer either a dual endorsement program or an initial licensure program in the applicable endorsement areas prior to applying to receive this grant. EPPs approved to offer initial licensure programs may also qualify to recommend candidates for additional endorsements. EPPs unsure as to what programs are currently approved should contact the Office of Educator Licensure and Preparation (Educator.Preparation@tn.gov) prior to submitting an application. Grant contracts will be awarded with an estimated maximum liability of \$100,000 per grant or \$2,000,000 total to fund all grant, with a contract term through June 30, 2022. Unused funding from approved grants may be reallocated to other partnerships depending on need and demand at the discretion of the Department. Preference will be given to applications able to serve multiple LEAs.

Scope of Work

Programming shall meet the following minimum requirements:

- Grant funding must entirely cover tuition, textbooks, and fees for all selected participants. No cost for programming shall be passed on to participants; all coursework, textbooks. Preference will be given to applications that provide a plan to cover the costs associated with licensure exams.
- The EPP's programming must allow participants to complete dual licensure OR initial licensure with additional licensure in a grade level (i.e., K-5 or 6-12 English and Language Arts) or subject area **and** special education in K-12 Comprehensive or 6-12 Interventionist (Biology, English, or Math) or English as a Second Language.
- EPPs must submit proof of participant progress specific to the grant scope of work and provide supplementary academic, career, and licensure preparation supports within grant funding.
- EPPs must provide academic and professional supports to participants to ensure success

The partnering LEA will be required to sign an MoU with the Department agreeing to the following:

- LEAs must employ participants as education assistants, as part of the multi-year residency, who serve in classrooms with highly effective teachers who serve as clinical mentors.
- In the education assistant role, participants may engage in instructional activities such as co-teaching, planning for instruction, small groups, RTI², professional learning communities, or grading.
- In the education assistant role, participants may **not** be assigned non-instructional duties during the instructional day such as lunchroom monitoring, substitute teaching, study hall, office duty, or in-school suspension. This grant does not limit duties assigned before or after the regular school day.

D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.

The Grantee acknowledges, understands, and agrees that this Grant Contract shall be null and void if the Grantee is, or within the past six months has been, an employee of the State of Tennessee or if the Grantee is an entity in which a controlling interest is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee.

D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:

- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
- c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under

grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352.

D.9. Subject to Funds Availability. This Grant Contract is subject to the appropriation and availability of State or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall

have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

D.10. Nondiscrimination. The Grantee agrees that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The Grantee shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

D.11. HIPAA Compliance. The State and the Grantee shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), Health Information Technology for Economic and Clinical Health ("HITECH") Act and any other relevant laws and regulations regarding privacy (collectively the "Privacy Rules"). The obligations set forth in this Section shall survive the termination of this Grant Contract.

- a. The Grantee warrants to the State that it is familiar with the requirements of the Privacy Rules, and will comply with all applicable requirements in the course of this Grant Contract.
- b. The Grantee warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by the Privacy Rules, in the course of performance of this Grant Contract so that both parties will be in compliance with the Privacy Rules.
- c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received or delivered by the parties under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the parties to receive or deliver the information without entering into a business associate agreement or signing another document.
- d. The Grantee will indemnify the State and hold it harmless for any violation by the Grantee or its subcontractors of the Privacy Rules. This includes the costs of responding to a breach of protected health information, the costs of responding to a government enforcement action related to the breach, and any fines, penalties, or damages paid by the State because of the violation.

D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454.

The sign shall be on the form prescribed by the Comptroller of the Treasury. The Grantor State Agency shall obtain copies of the sign from the Comptroller of the Treasury, and upon request from the Grantee, provide Grantee with any necessary signs.

D.13. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee in relation to this Grant Contract shall include the statement, "This project is funded under a Grant Contract with the State of Tennessee." All notices by the Grantee in relation to this Grant Contract shall be approved by the State.

D.14. Licensure. The Grantee and its employees and all sub-grantees shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.

D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained for a period of five (5) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification, Public Company Accounting Oversight Board (PCAOB) Accounting Standards Codification, or Governmental Accounting Standards Board (GASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

In addition, documentation of grant applications, budgets, reports, awards, and expenditures will be maintained in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Audit Requirements, and Cost Principles for Federal Awards*.

The Grantee shall also comply with any recordkeeping and reporting requirements prescribed by the Tennessee Comptroller of the Treasury.

The Grantee shall establish a system of internal controls that utilize the COSO Internal Control - Integrated Framework model as the basic foundation for the internal control system. The Grantee shall incorporate any additional Comptroller of the Treasury directives into its internal control system.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.

D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.

D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency and the Department of Finance and Administration ("F&A"). Send electronic copies of annual and final reports to F&A at fa.audit@tn.gov. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.

D.19. Audit Report. For purposes of this Section, pass-through entity means a non-federal entity that provides a subaward to a subrecipient to carry out part of a federal program. The Grantee shall provide audited financial statements to the Tennessee Comptroller of the Treasury ("Comptroller") if during the Grantee's fiscal year, the Grantee: (1) expends seven hundred fifty thousand dollars (\$750,000) or more in direct and indirect federal financial assistance and the State is a pass-through entity; (2) expends seven hundred fifty thousand dollars (\$750,000) or more in state funds from the State; or (3) expends seven hundred fifty thousand dollars (\$750,000) or more in federal financial assistance and state funds from the State, and the State is a pass-through entity. At least ninety (90) days before the end of its fiscal year, the Grantee shall complete Attachment B to notify the State whether or not Grantee is subject to an audit. The Grantee should submit only one, completed document during the Grantee's fiscal year. Any Grantee that is subject to an audit and so indicates on Attachment B shall complete Attachment C. If the Grantee is subject to an audit, Grantee shall obtain the Comptroller's approval before engaging a licensed, independent public accountant to perform the audit. The Grantee may contact the Comptroller for assistance identifying auditors.

All audits shall be performed in accordance with the Comptroller's requirements, as posted on its web site. When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

The audit contract between the Grantee and the Auditor shall be on a contract form prescribed by the Comptroller. The Grantee shall be responsible for payment of fees for an audit prepared by a licensed,

independent public accountant. Payment of the audit fees by the Grantee shall be subject to the provision relating to such fees contained within this Grant Contract. The Grantee shall be responsible for reimbursing the Comptroller for any costs of an audit prepared by the Comptroller.

D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.326 when procuring property and services under a federal award. The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term “equipment” shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Grantee’s employees, and to pay all applicable taxes incident to this Grant Contract.

D.23. Limitation of State’s Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State’s total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances

exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.

D.24. Force Majeure. “Force Majeure Event” means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the Party except to the extent that the non-performing Party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing Party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either Party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a Party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing Party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the Party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee’s representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee’s performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.

D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.

D.27. No Acquisition of Equipment or Motor Vehicles. This Grant Contract does not involve the acquisition and disposition of equipment or motor vehicles acquired with funds provided under this Grant Contract.

D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.

D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be

subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.

D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.

D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

D.33. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101, *et seq.*, addressing contracting with persons as defined at Tenn. Code Ann. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Grant Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.

D.34. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grant Grantee by the State or acquired by the Grant Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as “Confidential Information.” Nothing in this Section shall permit Grant Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grant Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grant Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law. The obligations set forth in this Section shall survive the termination of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract’s other terms and conditions.

E.2. Insurance. Grantee shall maintain insurance coverage as specified in this Section. The State reserves the right to amend or require additional insurance coverage, coverage amounts, and endorsements required under this Contract. Grantee’s failure to maintain or submit evidence of insurance coverage, as required, is a material breach of this Contract. If Grantee loses insurance coverage, fails to renew coverage, or for any reason becomes uninsured during the Term, Grantee shall immediately notify the State. All insurance companies providing coverage must be: (a) acceptable to the State; (b) authorized by the Tennessee Department of Commerce and Insurance (“TDCI”); and (c) rated A- / VII or better by A.M. Best. All coverage must be on a primary basis and noncontributory with any other insurance or self-insurance carried by the State. Grantee agrees to name the State as an additional insured on any insurance policy with the exception of workers’ compensation (employer liability) and professional liability (errors and omissions) insurance. All policies must contain an endorsement for a waiver of subrogation in favor of the State. Any deductible or self-insured retention (“SIR”) over fifty thousand dollars (\$50,000) must be approved by the State. The deductible or SIR and any premiums are the Grantee’s sole responsibility. The Grantee agrees that the insurance requirements specified in this Section do not reduce any liability the Grantee has assumed under this Contract including any indemnification or hold harmless requirements.

To achieve the required coverage amounts, a combination of an otherwise deficient specific policy and an umbrella policy with an aggregate meeting or exceeding the required coverage amounts is acceptable. For example: If the required policy limit under this Contract is for two million dollars (\$2,000,000) in coverage, acceptable coverage would include a specific policy covering one million dollars (\$1,000,000) combined with an umbrella policy for an additional one million dollars (\$1,000,000). If the deficient underlying policy is for a coverage area without aggregate limits (generally Automobile Liability and Employers’ Liability Accident), Grantee shall provide a copy of the umbrella insurance policy documents to ensure that no aggregate limit applies to the umbrella policy for that coverage area. In the event that an umbrella policy is being provided to achieve any required coverage amounts, the umbrella policy shall be accompanied by an endorsement at least as broad as the Insurance Services Office, Inc. (also known as “ISO”) “Noncontributory—Other Insurance Condition” endorsement or shall be written on a policy form

that addresses both the primary and noncontributory basis of the umbrella policy if the State is otherwise named as an additional insured.

Grantee shall provide the State a certificate of insurance (“COI”) evidencing the coverages and amounts specified in this Section. The COI must be on a form approved by the TDCI (standard ACORD form preferred). The COI must list each insurer’s National Association of Insurance Commissioners (NAIC) number and be signed by an authorized representative of the insurer. The COI must list the State of Tennessee – CPO Risk Manager, 312 Rosa L. Parks Ave., 3rd floor Central Procurement Office, Nashville, TN 37243 as the certificate holder. Grantee shall provide the COI ten (10) business days prior to the Effective Date and again thirty (30) calendar days before renewal or replacement of coverage. Grantee shall provide the State evidence that all subgrantees maintain the required insurance or that subgrantees are included under the Grantee’s policy. At any time, the State may require Grantee to provide a valid COI. The Parties agree that failure to provide evidence of insurance coverage as required is a material breach of this Contract. If Grantee self-insures, then a COI will not be required to prove coverage. Instead Grantee shall provide a certificate of self-insurance or a letter, on Grantee’s letterhead, detailing its coverage, policy amounts, and proof of funds to reasonably cover such expenses.

The State agrees that it shall give written notice to the Grantee as soon as practicable after the State becomes aware of any claim asserted or made against the State, but in no event later than thirty (30) calendar days after the State becomes aware of such claim. The failure of the State to give notice shall only relieve the Grantee of its obligations under this Section to the extent that the Grantee can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Grantee or its insurer, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

The insurance obligations under this Contract shall be: (1)—all the insurance coverage and policy limits carried by the Grantee; or (2)—the minimum insurance coverage requirements and policy limits shown in this Contract; whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and minimum required policy limits, which are applicable to a given loss, shall be available to the State. No representation is made that the minimum insurance requirements of the Contract are sufficient to cover the obligations of the Grantee arising under this Contract. The Grantee shall obtain and maintain, at a minimum, the following insurance coverages and policy limits.

a. Commercial General Liability (“CGL”) Insurance

- 1) The Grantee shall maintain CGL insurance, which shall be written on an ISO Form CG 00 01 occurrence form (or a substitute form providing equivalent coverage) and shall cover liability arising from property damage, premises and operations, products and completed operations, bodily injury, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

The Grantee shall maintain single limits not less than one million dollars (\$1,000,000) per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this policy or location of occurrence or the general aggregate limit shall be twice the required occurrence limit.

b. Workers' Compensation and Employer Liability Insurance

- 1) For Grantees statutorily required to carry workers' compensation and employer liability insurance, the Grantee shall maintain:
 - i. Workers' compensation in an amount not less than one million dollars (\$1,000,000) including employer liability of one million dollars (\$1,000,000) per accident for bodily injury by accident, one million dollars (\$1,000,000) policy limit by disease, and one million dollars (\$1,000,000) per employee for bodily injury by disease.
- 2) If the Grantee certifies that it is exempt from the requirements of Tenn. Code Ann. §§ 50-6-101 – 103, then the Grantee shall furnish written proof of such exemption for one or more of the following reasons:
 - i. The Grantee employs fewer than five (5) employees;
 - ii. The Grantee is a sole proprietor;
 - iii. The Grantee is in the construction business or trades with no employees;
 - iv. The Grantee is in the coal mining industry with no employees;
 - v. The Grantee is a state or local government; or
 - vi. The Grantee self-insures its workers' compensation and is in compliance with the TDCI rules and Tenn. Code Ann. § 50-6-405.

c. Automobile Liability Insurance

- 1) The Grantee shall maintain automobile liability insurance which shall cover liability arising out of any automobile (including owned, leased, hired, and non-owned automobiles).
- 2) The Grantee shall maintain bodily injury/property damage with a limit not less than one million dollars (\$1,000,000) per occurrence or combined single limit.

d. Professional Liability Insurance

- 1) Professional liability insurance shall be written on an occurrence basis or on a claims-made basis. If this coverage is written on a claims-made basis then:
 - i. The retroactive date must be shown, and must be on or before the earlier of the Effective Date of the Contract or the beginning of Contract work or provision of goods and services;
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) full years from the date of the final Contract payment; and
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date on or prior to the Contract Effective Date, the Grantee must purchase "extended reporting" or "tail coverage" for a minimum of five (5) full years from the date of the final Contract payment.
- 2) Any professional liability insurance policy shall have a limit not less than **one million** dollars (\$1,000,000) per claim and **two million** dollars (\$2,000,000) in the aggregate; and

- 3) If the Contract involves the provision of services by medical professionals, a policy limit not less than **three million (\$3,000,000)** per claim and **three million** dollars (\$3,000,000) in the aggregate for medical malpractice insurance.

E.2. Family Educational Rights and Privacy Act & Tennessee Data Accessibility, Transparency and Accountability Act. The Grantee shall comply with the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. 1232(g)) and its accompanying regulations (34 C.F.R. § 99) (“FERPA”). The Grantee warrants that the Grantee is familiar with FERPA requirements and that it will comply with these requirements in the performance of its duties under this Grant Contract. The Grantee agrees to cooperate with the State, as required by FERPA, in the performance of its duties under this Grant Contract. The Grantee agrees to maintain the confidentiality of all education records and student information. The Grantee shall only use such records and information for the exclusive purpose of performing its duties under this Grant Contract. The obligations set forth in this Section shall survive the termination of this Grant Contract.

The Grantee shall also comply with Tenn. Code Ann. § 49-1-701, *et seq.*, known as the “Data Accessibility, Transparency and Accountability Act,” and any accompanying administrative rules or regulations (collectively “DATAA”). The Grantee agrees to maintain the confidentiality of all records containing student and de-identified data, as this term is defined in DATAA, in any databases, to which the State has granted the Grantee access, and to only use such data for the exclusive purpose of performing its duties under this Grant Contract.

Any instances of unauthorized disclosure of data containing personally identifiable information in violation of FERPA or DATAA that come to the attention of the Grantee shall be reported to the State within twenty-four (24) hours. Grantee shall indemnify and hold harmless State, its employees, agents and representatives, from and against any and all claims, liabilities, losses, or causes of action that may arise, accrue, or result to any person or entity that is injured or damaged as a result of Grantee’s failure to comply with this section.

E.3. State Furnished Property. The Grantee shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the State for the Grantee’s temporary use under this Grant Contract. Upon termination of this Grant Contract, all property furnished by the State shall be returned to the State in and the same condition as when received, less ordinary wear and tear.
