Please be advised that LEAs are required to comply with all state education laws and SBE rules. The commissioner of education is responsible for ensuring all school laws and SBE rules are faithfully executed and is charged with taking corrective action when an LEA is not in compliance with state education laws and SBE rules and is not following a TDOE approved plan addressing compliance issues. All LEAs should carefully check the status of compliance with all state education laws and SBE rules prior to execution of this Compliance Report. The adherence by LEAs to some laws and rules are monitored through other data sources and all data sources will be considered when the TDOE makes final decisions regarding LEA compliance with laws and rules.

I certify that, except for those items listed in the attached document which includes a compliance plan for each item, the LEA is in compliance with all Tennessee statutes and SBE rules.
