

January 14, 2022

Dear Managing Director Giblin,

Thank you for your waiver submission on January 12, 2022.

The commissioner of education may consider waivers related to of the provisions of Tenn. Comp. R. & Regs. Chapters 0520-01-03 and 0520-01-13 related to remote instruction to the extent necessary to allow students affected at the classroom or school level by COVID-19 isolation or quarantine to participate in remote instruction. As stated, your district still has the authority to quarantine students and staff on an individual case-by-case basis (not in the aggregate). Waivers will only be considered when a LEA can document and demonstrate a significant impact of COVID-19 quarantine or isolation on school operations, impacting students, teachers, and/or staff. Please note, if a waiver request is granted to a school, all extracurricular activities for that school must also be cancelled for the duration of the waiver period.

The waiver submitted by **Valor Collegiate Academies** for Valor Voyager's fifth through eighth grade is **approved** at this time.

The rationale for this approval is:

- The positivity rate among school staff has limited capacity, and the school is not in a place to support in-person learning.
- The district has taken necessary steps to staff where able; however, the number of staff out leaves the school unable to support in-person instruction in this self-contained special education classroom.

If not already in place, the department also continues to encourage all districts to implement as many mitigation strategies as possible to contain the spread of COVID-19, limit quarantines, and remain in-person, such as utilizing:

- The same or enhanced mitigation strategies used last school year such as temperature checks, physical distancing, frequent handwashing, etc.
- Seating charts in all settings, including classrooms, cafeteria/meals, bus routes, etc.
- Proactively stocking non-perishable items for breakfasts/lunches to account for meal staff absences
- Cohorting students to limit close contacts
- The consideration of masking

I continue to be incredibly grateful for the work of your district, educators, students and families as we collectively address and respond to COVID-19.

Sincerely,

Please explain why this waiver is necessary and in-person instruction is not feasible at this time:

This waiver is being submitted due to staffing challenges because of the number of staff in isolation due to Covid-19. Currently, we have 3/8 staff members (38%) who support this self-contained Special Education classroom in isolation due to Covid-19. Additionally, 10% of students are in quarantine as well. Because of this, we are not able to safely support/staff our classroom.
