Re: Waiver for Class Size Average at South Gibson County Elementary School

Dear Director Pruett:

I am in receipt of your request for a waiver of the class size average found in T.C.A. § 49-1-104 for K-3 classes at South Gibson County Elementary School.

The commissioner's waiver authority under T.C.A. §49-1-201(d) is limited by T.C.A. §49-1-104(a), which states that "neither the commissioner nor the state board of education shall grant waivers from the maximum class sizes established in this section."

With the understanding that none of the K-3 classes in at South Gibson County Elementary School will exceed 25, the maximum number of students per class specified in the above referenced law, your request for a waiver of the class size average is granted for the 2019-2020 school year.

Please do not hesitate to call me if you have further questions.

Sincerely,

A handwritten signature in blue ink, appearing to be "Penny Schwinn".

Local Education Agency Waiver Request

Pursuant to Tennessee Code Annotated § 49-1-201(d), upon application by the local education agency for one (1) or more of its schools, the commissioner of education may waive any state board rule or statute that inhibits or hinders the LEA's ability to meet its goals or comply with its mission. Please submit completed forms to Commissioner.McQueen@tn.gov. Following review by the commissioner, the district will be notified in writing if the waiver request is approved or denied. Unless otherwise stated, all waivers granted by the commissioner shall be granted for one year terms.

Waivers may **not** be granted by the commissioner for regulatory or statutory requirements related to:

- (A) Federal and state civil rights;
- (B) Federal, state and local health and safety;
- (C) Federal and state public records;
- (D) Immunizations;
- (E) Possession of weapons on school grounds;
- (F) Background checks and fingerprinting of personnel;
- (G) Federal and state special education services;
- (H) Student due process;
- (I) Parental rights;
- (J) Federal and state student assessment and accountability;
- (K) Open meetings;

Local Education Agency:

Gibson County Special School District

School Information (if applicable):

School Name: South Gibson County Elementary School

Street: 100 Mt. Zion Road

City: Medina Zip Code: 38355

Please list the statute(s) and/or state board rule(s) for which waiver is being requested:

State Board 0520-01-03-.03
Current K-3 class average is 20.5, which is above the average K-3 of 20. All classes are below the maximum amount of 25.

Explanation of how the statute(s) and/or state board rule(s) inhibits or hinders the local education agency's ability to meet its goals or comply with its mission:

We have online registration and used those numbers to properly staff our schools. After school began, we had a larger # of students than expected. We believe it is better to be a little over the average # per classroom than split classes and hire a new teacher. This will allow our highly qualified/effective teachers to work with our students.

Expected duration of the condition necessitating this waiver request:
The expected duration for this waiver request/condition is for the 2019/2020 school year.
