October 5, 2026

Rebecca Farley, Director of Schools
Cumberland County Schools
368 4th Street
Crossville, TN 38555

Dear Director Farley:

I am in receipt of your waiver request for Summer Learning Camp Funds Carryover for High-Dosage, Low-Ratio Tutoring pursuant to T.C.A. § 49-6-1503(c)(2). The request seeks approval to use remaining 2026 Summer Programming funds to provide high-dosage, low-ratio tutoring services in literacy and/or mathematics to additional students identified as at risk of performing below grade level, after ensuring all students required to be served under T.C.A. § 49-6-3115 have been served.

After review of the information submitted, and with the understanding that Cumberland County Schools will continue to prioritize all students required to receive tutoring services under T.C.A. § 49-6-3115, your request for a waiver of the limitation contained in T.C.A. § 49-6-1503(c)(2) is hereby granted for the 2026-27 school year.

If applicable and specifically requested in the waiver application, approval also extends to the waiver of the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

Please do not hesitate to contact the department if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Lizzette Reynolds" followed by a stylized monogram "LR".

Lizzette Reynolds
Commissioner

Summer Learning Camp Funds Carryover for High-Dosage, Low-Ratio Tutoring Waiver Request Application

Pursuant to T.C.A. § 49-6-1503(c)(2), funding for after-school learning mini-camps, learning loss bridge camps, and summer learning camps must first be used for the purposes outlined in T.C.A. § 49-6-1503(c)(1). Any remaining funds may be used by LEAs or public charter schools to provide tutoring required by T.C.A. § 49-6-3115. T.C.A. § 49-6-3115 requires tutoring services for students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

This specialized waiver application is to be used by local education agencies (LEAs) to request a waiver of the provision in T.C.A. § 49-6-1503(c)(2) limiting the use of the remaining funds from 2026 Summer Programming to students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

This specialized waiver request is designed to allow the remaining funds from 2026 Summer Programming to be spent on tutoring services for students to provide high-dosage, low-ratio tutoring services in literacy and/or math to additional students at-risk of performing below grade level upon the condition that the LEA has ensured that any students required to be served by T.C.A. § 49-6-3115 have been served first.

In addition, the LEA may request to waive the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

To apply for a waiver, email the completed form to Education.Waivers@tn.gov. Following review by the commissioner, the requestor will be notified in writing if the waiver request is approved or denied. Unless otherwise stated, all waivers granted by the commissioner shall be granted for one-year terms.

1. ☒ The LEA is requesting a waiver of the provision in T.C.A. § 49-6-1503(c)(2) limiting the use of the remaining funds from 2026 Summer Programming to students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

2. ☒ The LEA is requesting a waiver of the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

3. Explanation of how the statutory requirement limits the LEA's ability to meet student needs:

Provide an explanation of why the waiver is needed and how approval of the waiver would support improving academic outcomes for eligible students. Please include a description of how the LEA will prioritize students for high-dosage, low-ratio tutoring including data sources, grade levels, and content areas.

The waiver is needed to provide flexibility to target tutoring resources to students with the greatest academic need. Approval will support improved academic outcomes by allowing high-dosage, low-ratio tutoring to be assigned based on student data. Schools will prioritize eligible students using multiple data sources, including AimsWeb universal screener results, Mastery Connect benchmark data, TCAP results, and curriculum-based assessments. Priority will be given to students performing below grade level or demonstrating significant skill gaps, with a focus on grades K-5 in ELA. Tutoring will target identified foundational skills and priority grade-level standards based on each student's specific areas of need.
