Dear Director Beard:

I am in receipt of the March 27, 2025, waiver request of Tenn. Code Ann. § 49-6-3004(i) as it relates to remote instruction. Tenn. Code Ann. § 49-6-3004(i)(1) allows school districts to provide up to two (2) days each semester of the required one hundred eighty (180) days of classroom instruction via remote instruction in the event of dangerous or extreme weather conditions or of serious outbreak of illness affecting or endangering students or staff. Additionally, Tenn. Code Ann. § 49-6-3004(i)(7) requires school districts to make meals available to students in accordance with the school nutrition program requirements on days that remote instruction is provided.

Giles County Schools have exhausted two remote instruction days this semester and you are requesting to use two additional remote instruction days, if needed, due to extreme weather conditions. You have also requested a waiver of the requirement to serve meals on these remote instruction days.

Pursuant to the commissioner's waiver authority under Tenn. Code. Ann. § 49-1-201(d)(1), your request of a waiver of Tenn. Code Ann. § 49-6-3004(i) is hereby granted to allow the use of the aforementioned remote instruction days without the requirement to make meals available. Please do not hesitate to contact me if you have further questions

Sincerely,

Lizzette Reynolds
Commissioner

Explanation of how the statute or SBE rule inhibits or hinders the LEA's ability to meet its goals or comply with its mission.

Giles County Board of Education is requesting two additional virtual days in case we have a need. Due to our rural demographics, snow, cold weather, and sickness, we have used all our weather days. We would like to utilize two additional virtual days in case of unforeseen circumstances.

Expected duration of the condition necessitating this request.

We are requesting two additional virtual days in case of unforeseen circumstances with a waiver for meals due to not being able to give cafeteria notice to prepare for meals.
