September 30, 2026

Millicent Smith, Director of Schools
Lenoir City Schools
200 East Broadway
Lenoir City, TN 37771

Dear Director Smith:

I am in receipt of your waiver request for Summer Learning Camp Funds Carryover for High-Dosage, Low-Ratio Tutoring pursuant to T.C.A. § 49-6-1503(c)(2). The request seeks approval to use remaining 2026 Summer Programming funds to provide high-dosage, low-ratio tutoring services in literacy and/or mathematics to additional students identified as at risk of performing below grade level, after ensuring all students required to be served under T.C.A. § 49-6-3115 have been served.

After review of the information submitted, and with the understanding that Lenoir City Schools will continue to prioritize all students required to receive tutoring services under T.C.A. § 49-6-3115, your request for a waiver of the limitation contained in T.C.A. § 49-6-1503(c)(2) is hereby granted for the 2026-27 school year.

If applicable and specifically requested in the waiver application, approval also extends to the waiver of the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

Please do not hesitate to contact the department if you have any questions.

Sincerely,

Lizzette Reynolds CB

Lizzette Reynolds
Commissioner

Summer Learning Camp Funds Carryover for High-Dosage, Low-Ratio Tutoring Waiver Request Application

Pursuant to T.C.A. § 49-6-1503(c)(2), funding for after-school learning mini-camps, learning loss bridge camps, and summer learning camps must first be used for the purposes outlined in T.C.A. § 49-6-1503(c)(1). Any remaining funds may be used by LEAs or public charter schools to provide tutoring required by T.C.A. § 49-6-3115. T.C.A. § 49-6-3115 requires tutoring services for students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

This specialized waiver application is to be used by local education agencies (LEAs) to request a waiver of the provision in T.C.A. § 49-6-1503(c)(2) limiting the use of the remaining funds from 2026 Summer Programming to students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

This specialized waiver request is designed to allow the remaining funds from 2026 Summer Programming to be spent on tutoring services for students to provide high-dosage, low-ratio tutoring services in literacy and/or math to additional students at-risk of performing below grade level upon the condition that the LEA has ensured that any students required to be served by T.C.A. § 49-6-3115 have been served first.

In addition, the LEA may request to waive the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

To apply for a waiver, email the completed form to Education.Waivers@tn.gov. Following review by the commissioner, the requestor will be notified in writing if the waiver request is approved or denied. Unless otherwise stated, all waivers granted by the commissioner shall be granted for one-year terms.

1. ☒ The LEA is requesting a waiver of the provision in T.C.A. § 49-6-1503(c)(2) limiting the use of the remaining funds from 2026 Summer Programming to students that were retained in grades K-3 and students required to be tutored as part of a promotion pathway in grades 4-5.

2. ☒ The LEA is requesting a waiver of the required number of weeks (12) for the fall semester as outlined in the assurances for the 2026 Summer Programming Extension Grant Application.

3. Explanation of how the statutory requirement limits the LEA's ability to meet student needs:

Provide an explanation of why the waiver is needed and how approval of the waiver would support improving academic outcomes for eligible students. Please include a description of how the LEA will prioritize students for high-dosage, low-ratio tutoring including data sources, grade levels, and content areas.

Lenoir City Schools anticipated a greater need for tutoring in grades 4 and 5 this year and began services on August 24 to give students as much time as possible to grow. The school district's general purpose budget covered the cost of tutoring from August 24 through September 15. As a result, the grant-funded portion of the fall schedule may appear shorter than 12 weeks, but students began receiving tutoring before grant funding was used. However, students will receive a full 12 weeks of tutoring in the Fall semester. The waiver would allow us to apply the grant to the remaining weeks of an intervention already underway.

Starting early also allowed tutoring to end before winter benchmarking windows and other scheduling demands that could inhibit services. Lenoir City Schools will serve students required to receive tutoring during a designated intervention time in their school day. Their intervention time is for 45 minutes and the tutors meet with the students four days a week to ensure coherence and consistency. Instructional plans and grouping are based on skill needs and acceleration within the Tier 1 classroom. We can correctly determine skill needs by utilizing data from our DIBELS 8 benchmark assessment on mClass and routine data meetings with the Tier 1 teachers. These groups are in a 1:3 ratio and meet Monday through Thursday.
