Dear Director Winstead:

I am in receipt of your May 12, 2022 request for a waiver of State Board of Education Rule 0520-01-02-.07(2), requiring schools to employ a certain number of library information specialists per school who hold endorsements as library information specialists.

Pursuant to my authority under Tenn. Code Ann. § 49-1-201(d), your waiver request is hereby granted for the 2022-23 school year.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Dr. Penny Schwinn

# Local Education Agency Waiver Request

Pursuant to Tennessee Code Annotated § 49-1-201(d), upon application by the local education agency for one (1) or more of its schools, the commissioner of education may waive any state board rule or statute that inhibits or hinders the LEA's ability to meet its goals or comply with its mission. Please submit completed forms to [Commissioner.Schwinn@tn.gov](mailto:Commissioner.Schwinn@tn.gov). Following review by the commissioner, the district will be notified in writing if the waiver request is approved or denied. Unless otherwise stated, all waivers granted by the commissioner shall be granted for one year terms.

**Please list the statute(s) and/or state board rule(s) for which waiver is being requested:**

SBOE Rule 0520-01-02-.07(2) Library Information Center Personnel - Requires schools to employ a certain number of licensed library information specialists based on grade span and enrollment.

**Explanation of how the statute(s) and/or state board rule(s) inhibits or hinders the local education agency's ability to meet its goals or comply with its mission:**

Foothills Elementary serves over 600 students in grades PreK through third grade. Under the SBOE Rule cited above, the school is required to have one full-time library information specialist with endorsement as a library information specialist. I am requesting flexibility to employ two part-time licensed educators to oversee the school library. Both have over 30 years of experience. One is licensed as a library information specialist and one is licensed as a regular classroom teacher. We are confident this split in responsibilities will allow us to support students and teachers in new and better ways.

**Expected duration of the condition necessitating this waiver request:**

We will pilot this approach in the 2022-23 school year. If it is as successful as we anticipate, then we will continue to apply for this waiver annually.
