Dear Director Winstead:

I am in receipt of your May 1, 2023 request for a waiver of State Board of Education Rule 0520-01-02-.07(2), requiring schools to employ a certain number of library information specialists per school who hold endorsements as library information specialists.

Pursuant to my authority under Tenn. Code Ann. § 49-1-201(d), your waiver request is hereby granted for the 2023-24 school year.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Dr. Penny Schwinn  
Commissioner

**Please list the statute(s) and/or state board rule(s) for which waiver is being requested:**

SBOE Rule 0520-01-02-.07(2) Library Information Center Personnel - Requires schools to employ a certain number of licensed library information specialists based on grade span and enrollment.

**Explanation of how the statute(s) and/or state board rule(s) inhibits or hinders the local education agency's ability to meet its goals or comply with its mission:**

The role of the library and the library personnel have changed over the past several years. Our students can be better served at Maryville Junior HS with a person who can support the literacy and technology needs of students and teachers. I am requesting flexibility to allow a licensed educator manage our library who does not hold an endorsement as a library information specialist. We piloted this arrangement in 2022-23 under a waiver and had great success.

**Expected duration of the condition necessitating this waiver request:**

We piloted this approach in the 2022-23 school year. It was very successful based on feedback from students and teachers. We will continue to apply for this waiver annually.
