

## Endorsement and edTPA Handbook Alignment

This table provides guidance related to the appropriate edTPA handbook for various Tennessee endorsements. EPPs are encouraged to contact the OELP prior to advising a candidate to complete an edTPA handbook other than the handbook(s) listed as appropriate on this table.

Candidates enrolled in a dual endorsement program may complete a handbook associated with either endorsement; however, EPPs are encouraged to advise candidates to make the most relevant choice based on their specific context.
