

# Algebra I Employment Standards – 2021-2022

## State Approved Hybrid Training Sponsored by the Tennessee Department of Education

### REGISTRATION FORM

TARGET AUDIENCE: Algebra I/Integrated I Teachers

**Focus:** The State of Tennessee has provided various paths for qualified middle school teachers to teach Algebra I/Integrated Math I for high school credit. The various paths are described at <https://www.tn.gov/education/licensing/educator-licensure/licensed-educators.html>. The purpose of the trainings offered here is to provide the pedagogical and content support required by the state training standards in a modality that meets the time frame and purposes of the teacher participant. During the academic year 2021-2022, there are two online versions available. This year, both online sessions will require attending live webinars and independent mathematical work. This registration form serves for both training options during academic year 2021-2022. **Please identify the training for which you are registering. The deadline for submitting registration form and check is one week before training is to begin: Deadline for first session: June 10, 2021 Deadline for second session: October 14, 2021**
