

## LEA Non-Public and Home School Reporting Form

Tennessee Department of Education  
Division of Choice  
710 James Robertson Parkway  
Nashville, TN 37243

Tenn. Code Ann. 49-6-3007(c) requires non-public schools to report the names, ages, and residences of all enrolled students within the first 30 days of the school year by submitting the *Non-Public School (NPS) Reporting* form to the LEA.

Indicate the total number of students in each of the fields below using the information received from the *Non-Public School Reporting* forms and *Intent to Home School* forms turned into the LEA. Submit the total number of students each time you report. May 15 reported numbers will include December's non-public school enrollment count unless a school has reported withdrawals or a drop in enrollment. Completed forms are due to **Home.School@tn.gov** by **December 15** and **May 15** each school year.

**Note:** Category IV church-related schools must report total enrollment; however, schools may choose to separate by regular enrollment and home school umbrella. The home school umbrella column is available if category IV schools voluntarily identify these students to the LEA.
