Mr. Bill Hall, Director
Scott County Schools
P.O. Box 37
208 Court Street
Huntsville, TN 37756-0037

Dear Mr. Hall:

Please find attached the summary review of findings from the School Nutrition Program’s 2016-17 fiscal year administrative review of Scott County’s National School Lunch Program and School Breakfast Program. This review was conducted the week of December 12, 2016, with the exit date of December 15, 2016. The summary includes the identified findings and the corrective actions required.

District responses and supporting documentation of corrective actions are required for all findings, and findings must be corrected district wide. The School Nutrition Program director will provide the responses to the findings via the Tennessee: Meals, Accounting, and Claiming (TMAC) system in the “Compliance” section, as discussed with the lead reviewer. Technical assistance areas do not require responses; these suggestions are only to help the system improve the program. They are also available in the “Compliance” section in TMAC.

All corrective actions for Scott County shall be documented, supported, and listed in the “Compliance” section in TMAC no later than January 27, 2017. During this timeframe, if you find errors or points of disagreement in our findings, please contact me, and I will assist you with your next course of action. If there are no errors or points of disagreement, please be mindful that refusal or failure to comply with the required corrective actions within the allotted timeframe may result in potential fiscal action.

Upon receipt of Scott County’s documented corrective action, the Tennessee Department of Education will determine whether the documentation is complete and resolves the findings identified. Once the department approves the corrective actions, your district will receive a closure letter closing the review within 30 calendar days.

If you have any questions or concerns, please contact Quache Spencer or me at (800) 354-3663.

Sincerely,

Phyllis Hodges, State Director
Scott County (760)
