

You previously indicated that you teach Mathematics in grades K-8. We would like to ask you about the Math curriculum you use within your classroom.

TB_MA01. Which of the following best describes the way you implement the Math curriculum provided by your school or district? (Select one option)

- a. I adhere to the curriculum provided for nearly all lessons.
- b. I regularly supplement the curriculum with additional materials that I find or create.
- c. I primarily use different curriculum that I find or adapt from other sources instead of the provided curriculum.
- d. I primarily create my own curriculum instead of using the provided curriculum.
- e. My school or district does not provide me with any Math curriculum.

TB_MA02. Think about the math curriculum/instructional materials that are provided by your school or district. Please rate your level of agreement with each statement.

	Strongly Disagree	Disagree	Agree	Strongly Agree
a. I am able to deliver high quality lessons by using the math curriculum as designed. (Select one option)	1	2	3	4
b. My math curriculum is engaging to my students. (Select one option)	1	2	3	4
c. My math curriculum is a good fit for my students. (Select one option)	1	2	3	4

TB_MA03. To what extent are the following instructional components aligned with the math curriculum that is provided by your school or district?

	Not at All	To a Small Extent	To a Moderate Extent	To a Large Extent
a. My professional learning. (Select one option)	1	2	3	4
b. Coaching, mentorship, or other support I receive from teacher leaders (Select one option)	1	2	3	4
c. Benchmark/interim assessments (Select one option)	1	2	3	4
d. My school's RTI framework (Select one option)	1	2	3	4

TB_MA04. Please indicate how often each of the following activities is the focus of your collaborative time with other Math teachers.

	Never	About once a semester	About once a month	About once a week
a. Planning/preparation for lessons or units generally (Select one option)	1	2	3	4

b. Planning/preparation to help students with different needs access the curriculum (Select one option)	1	2	3	4
c. Planning/preparation to facilitate discussion with intentionally sequenced questions (Select one option)	1	2	3	4
d. Planning/preparation to assess students' progress toward mastery of Math standards (Select one option)	1	2	3	4

TB_MA05. Please indicate if you received any of the following Math supports during the 2024-25 school year (including the summer of 2024).

a. Participated in Math-focused professional learning community (PLC) with other Math teachers (Select one option)	No – 0	Yes – 1
