MILEAGE _____

DATE _____

LEGEND Check Mark or X = OK, R = Repair Needed, N/A = Not Applicable, Blank = Not Inspected

PM-A CHECKLIST (grease & check)

APPROACH & DRIVER compartment	OUTSIDE WALK AROUND lights o	Brake adjustment	<input type="checkbox"/>
Fluid leaks on ground	Exterior lights / Stepwell / Stop / Reverse	Exhaust system / Hangers, clamps, leaks	<input type="checkbox"/>
Bus leaning	Reflectors / Reflective tape	Transmission / Leaks, wiring & vent	<input type="checkbox"/>
Entrance door op, condition & seals	Emergency doors / lube buzz sw & latch	Splash guards	<input type="checkbox"/>
Grab handles secure	Wheel Chair Lift / lube / inspect / adjust	Wheels, lug nuts, hubs, hub oil level	<input type="checkbox"/>
Step well / Step treads	W/S washer fluid / wiper arms & blades	Lube all fittings and pivot points	<input type="checkbox"/>
Cleanliness	Door & compartment hinges	Tire pressure as per recommendation	<input type="checkbox"/>
Emergency Equipment	Body damage	Tire tread depth min 6/32's Rr 4/32 Ft	<input type="checkbox"/>
Drivers Seat & Seat belt	Storage Comp / Clean / Dry / Cond	ENGINE COMPARTMENT / FLUIDS	
Gauges before start / KOEO / Warning lamps	Engine compartment / Doors / RE	Motor oil level	<input type="checkbox"/>
Wait to start lamp / Intake heater cycle	Batteries / water / clean / cables / tray	Hydraulic / Steering oil level	<input type="checkbox"/>
Starter operation	Stop arms visual	Coolant level / radiator & bottle	<input type="checkbox"/>
Gauges after start / KOER	Electrical panels / wires, fuses, breakers, etc	Radiators / clean / condition	<input type="checkbox"/>
Engine operation	Child Check Monitor	Coolant test / PH _____ Freeze Pt _____	<input type="checkbox"/>
Air Build up / Cut out psi _____	RAISE BUS ON HOIST	Molybdate PPM _____ Nitrite _____	
Parking brake hold @ 1200 rpm	Step well & light wiring	Fluid leaks / Fuel / Coolant / Oil / Hyd-PS	<input type="checkbox"/>
Brake interlock / pump brakes dn / popping?	Belts, hoses & clamps	Air filter / minder, ducts, clamps (comp inlet)	<input type="checkbox"/>
Low air warning >60 psi /	Fluid leaks	Heater valves on - YES NO	<input type="checkbox"/>
Park brake valve set (pop out 20-40 psi)	Wiring & cables (power and ground)	Fan & Fan Clutch / wiring, air hoses, etc	<input type="checkbox"/>
PP1 knob and pin / build air / KOEO	Starter, junctions, clean & tight	Bolts and brackets	<input type="checkbox"/>
Steering wheel straight / Tilt / Tele	Steering gear, linkages, tie rod ends	Wiring & connectors	<input type="checkbox"/>
Turn signals and cancelation	Front axle, springs, pins, bags, valves, shocks & brackets, etc.	Compartment light	<input type="checkbox"/>
4 way hazard lights	Front brake lining / drums / rotors	Belts, hoses, clamps	<input type="checkbox"/>
Head lights / Hi/Lo indicator	Front axle seals	Alternator wiring / mounts	<input type="checkbox"/>
Dome lights / Panel lights / Dash lights	Front brake hoses, cans, slacks	Belt tensioner / Pulley alignment	<input type="checkbox"/>
Mirror condition / Controls / Defroster	Brake adjustment	After cooler / hoses / clamps	<input type="checkbox"/>
Sun Visor / Mounts / Condition	Drive shafts, carriers, u-joints	Shutters	<input type="checkbox"/>
Heater / Defroster / Dash Fans / Knobs	Visual air dryer, Oil?	Compartment cover seal	<input type="checkbox"/>
Wipers / Washers / Windshield Condition	Air tanks, moisture or oil?	Engine cleanliness	<input type="checkbox"/>
Horns / air & city / dual tone	Fuel tanks, lines and filters	FINISH UP DETAILS	
Service door operation	Differential oil level / vent	Service sticker	<input type="checkbox"/>
INTERIOR INSPECTION	Rear axle, springs, pins, bags, valves, shocks shock brackets, etc.	Inspection sticker, OK?	<input type="checkbox"/>
AM/FM Radio & PA sys	Rear brake lining / drums / rotors	Other PM's due?	<input type="checkbox"/>
Passenger Seat Condition / secure	Rear axle seals	Check and clear diagnostic codes	<input type="checkbox"/>
All fasteners - Interior	Rear brk hoses, cans, slacks, etc.	Clean up & wipe off	<input type="checkbox"/>
Side Windows / Latches / Lube		Electronic Work Order	<input type="checkbox"/>
Emerg X, latch, operation, buzzers, decals			<input type="checkbox"/>

PM-B CHECKLIST (lube, oil & filters) (includes PM-A above)

Drain motor oil if required.	<input type="checkbox"/>	Change required oil filters	<input type="checkbox"/>	Change coolant filter	<input type="checkbox"/>
Sample motor oil	<input type="checkbox"/>	Change required fuel filters	<input type="checkbox"/>	Fuel/Oil additive	<input type="checkbox"/>

PM-C CHECKLIST (Annual, includes a PM-A)

Replace air filter	<input type="checkbox"/>	Chg hydraulic / P/S oil & filters	<input type="checkbox"/>	Battery cables / grounds, remove, clean, coat	<input type="checkbox"/>
Change trans fluid and filters	<input type="checkbox"/>	Rebuild air dryer	<input type="checkbox"/>		<input type="checkbox"/>
Change rear differential oil	<input type="checkbox"/>	Batteries, clean & test	<input type="checkbox"/>		<input type="checkbox"/>
