A waiver of T.C.A. § 49-5-409(b), which requires school districts to notify teachers within five (5) business days following the last instructional day for the school year if a teacher's contract will not be renewed for the succeeding school year.

LEAs granted this waiver must provide teachers notice that their contracts will not be renewed for the 2020-2021 school year no later than June 15, 2020. Such notice may be provided electronically.

A waiver of T.C.A. § 49-5-503(4), which states that teachers who have received evaluations demonstrating an overall performance effectiveness level of "above expectations" or "significantly above expectations" as provided in the evaluation guidelines adopted by the state

board of education pursuant to T.C.A. § 49-1-302, during the last two (2) years of the probationary period are eligible for tenure.

LEAs granted this waiver may allow teachers who have met all other requirements for tenure eligibility, but have not acquired an official evaluation score during the 2019-2020 school year due to COVID-19 school closures, to utilize the most recent two (2) years of available evaluation scores achieved during the probationary period for purposes of determining eligibility for tenure.
