(2) Consider any problems presented to it by the governor, the commissioner, the state board of education or the director of the division of special education, and give advice thereon;

(3) Review the state plan prepared pursuant to part 3 of this chapter prior to its submission to the governor and general assembly and comment thereon to the governor, the commissioner, the state board of education and the director: and

(4) Make an annual report to the governor and the general assembly and the state board of education, which report shall be available to the general public and shall present its views of the progress or lack thereof made in special education by the state, its agencies and institutions, and its school districts during the preceding year."

The annual report shall include the following topics: P a g e 3

- Identification of unmet needs
- Reviews of evaluations
- Reviews of data reports
- Advice to the Department of Education in developing corrective actions
- Advice to the Department of Education in developing and implementing policy regarding coordination of services
- Advice on the education of eligible students in adult prisons referred to in the State Board of Education Rules and Regulations at Chapter 0520-1 -9. (7)(c)
