

# Dyslexia Advisory Council Updates

## June 2018

### Trainings

#### ***“Say Dyslexia” Legislation Trainings***

- March/April 2018: Ten regional trainings (i.e., five, 4 hour sessions: and five 90 minute sessions)
  - Participants included RTI coordinators, directors of schools, curriculum and instruction supervisors, district supervisors, principals, RTI interventionists, literacy and instructional coaches, special education directors, school psychologists, and teachers.
- April 2018 conference session: RISE

#### ***Total trained this year:***

- 19 regional/district trainings
  - 649 participants from 118 districts
- Six conferences
- Average survey results (scale of 1–5):
  - Knowledge and understanding of this topic prior to the session: 3.1
  - Knowledge and understanding of this topic after the session: 3.9
  - I learned something that I plan to apply to my role in my school/district: 4.4
  - If given the opportunity, I would attend similar sessions in the future and/or recommend that other staff in my school or district attend: 4.6

### Dyslexia Intervention Reporting

- Districts reported dyslexia specific interventions descriptions in their district plans which are under review.
- Initial data pull of the number of students receiving interventions was on May 16, 2018.
  - Total of 32,935 students reported receiving dyslexia interventions.
- CORE interventionists are following up with districts to make sure all students receiving interventionists were reported.
- Final data pull for the 2017-18 school year will be in July.

### Handouts

- Parent and school district one pagers have been drafted and are being reviewed for final edits before being published.
