These students meet the same standards for graduation as those for students without disabilities. As explained in 34 C.F.R. § 300.102(a)(3)(iv), in effect June 30, 2017, "the term regular high school diploma means the standard high school diploma awarded to the preponderance of students in the State that is fully aligned with State standards, or a higher diploma, except that a regular high school diploma shall not be aligned to the alternate academic achievement standards described in section 1111(b)(1)(E) of the ESEA.
